Identity Statement:**Scope & Content / Abstract:**

Single sheet of paper with writing on both sides. The letter is addressed "Brothertown June 28th 1884, Dear Sister". It talks about the death of an infant due to whooping cough that went to her head. It talks about the work Ed found and how much he gets paid for four months of work (192 dollars). It is signed "good day, W. P. Fowler, If you wright any more you tell how to direct..." hard to make out the rest and it does look like the letter was ended abruptly.
