The Students of the Fourth Grade

Dear Students,

We are very sad that your teacher was in the shuttle that blew up. You have all our sympathy. We have been praying for you everyday. We hope that you feel much better.

We are very sad too because it was a U.S.A. shuttle and all the people died.

We hope the class is going to be okay. We also hope that the family will be all right.

We all love you forever.

Love,

The Fifth Grade Class

Dear Students and Staff of Concord High School,

We, the Eighth Grade Students of St. Gregory Elementary School in Phoenix, Arizona, wish to send you our deepest sympathy. We think it was a very tragic thing to have happened. We cannot imagine what your feelings were when you saw the unbelievable accident.

We hope that only the best will come out of this situation. But always remember, Mrs. Christa McAulliffe went up on the shuttle to fullfill her dream.
