Dear Faculty and Staff:

We share in the catastrophic loss of Christa McAuliffe, a beloved colleague. Her courage, dedication, and fortitude will be an exemplary model for all educators.

The positive force upon education will certainly be everlasting. Christa's contributions to students, teachers, the nation, and the world have had an astronomical impact.

The goals of the youth of today and the future will reflect Christa's ideals and her heroic patriotism. Her efforts have brought unity and pride to educators which will be enduring.

Our thoughts and prayers are with you.

Sincerely,

Maurice L. Manning, Principal
