Dear Colleagues:

We would like to extend our sympathy to you at the death of your friend and fellow teacher.

Her courage, conviction, and dedication to her students and to her profession, is an example for us all. The teaching profession suffers with her loss.

Our thoughts and prayers are with you but we will continue, and will carry with us the spirit of Christa McAuliffe.

Sincerely,

On Behalf of all Members of our District

S M Cond Flower
