29 January 1986

The Representative of the United
States on the Council of the
International Civil Aviation Organization
International Aviation Square
Montreal

Dear Ed,

The tragic events at the launch site of the space shuttle "Challenger" came as a great shock to all of us. My delegation shares the grief of the American people over the loss of the seven brave astronauts who risked their lives in the opening up of new frontiers for mankind. Let me express to you our sincere sympathy.

Yours,

Bernd
