

Gilbert High School

To the Student Body of Concord High School,

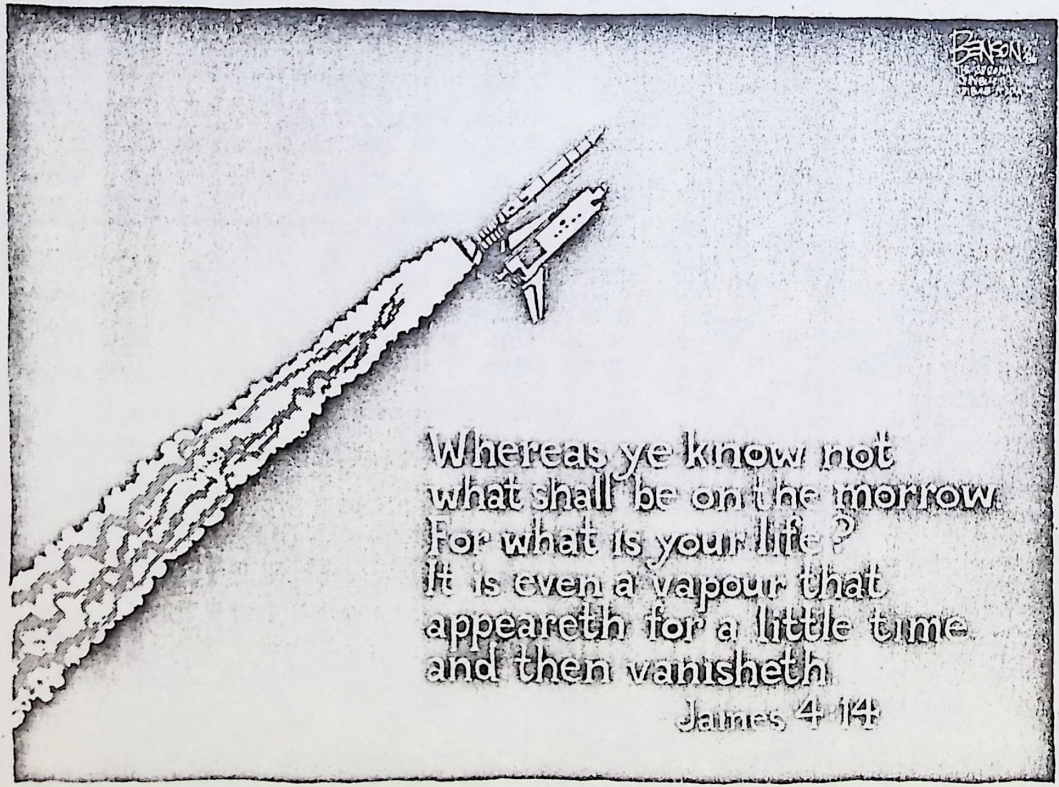
We the students of Gilbert High School would like to extend our sympathy for the loss of your teacher Christa McAuliffe. Her tragic death affected us all in a way that cannot be expressed.

In honor of the seven crew members, our school participated in a nationwide tribute. Our students drove with their car lights on, we reflected the loss during a moment of silence, and our flag has been flown at half-mast.

We know that this will not bring her back, but we want you to know that you have been in our thoughts and prayers.

With deepest sympathy,

The Student Body of
Gilbert High School



Whereas ye know not
what shall be on the morrow
For what is your life?
It is even a vapour that
appeareth for a little time
and then vanisheth
