U.S REPRESENTATIVE TO ICAO
1986 JAN 29 PM 3 38

29 January 1986

Dear Mr. Stohr,

Please accept the heartfelt sympathy of myself and my Government for the tragic loss of the Space Shuttle Challenger and its crew yesterday.

I am sure that the whole world mourns the loss, which, although tragic in itself, will undoubtedly generate an intensification of effort to ensure that space exploration in the future will be safer for all.

Yours sincerely,

J. E. Sansom

Mr. E. Stohr
Representative of the U.S.A.
on the Council of ICAO
