

Madison Aug 19/61.

Friend W. D. Fowler.

Supposing that you will have something to do with the County Convention to nominate delegates to attend the State Convention to be held on the 25th of Sept. next, I write to ask your support as a delegate to that Convention with authority to cast both votes we are entitled to should the other delegate be absent. It is highly important that we should be represented. My home is of course Calumet County because I shall return there as soon as I will be through my business here.

Hoping that this will receive a favorable consideration and that I will soon hear from you

I remain as ever

Yours Truly

J. H. Magdaburg.

Sam broke his collar bone
but is doing well now they are in Washington
