Dear Mr. Lowery,

We want to thank you and your school community for the gift of the book Liberty : the statue and the American dream, in memory of Christa McAuliffe. This will be a fine addition to the library collection.

Christa McAuliffe was an extraordinary woman, a fine teacher, and a good friend. The outpouring of love and sympathy from the whole world helps us, in our sorrow, to realize that she has touched so many people even in the disastrous end to her mission. Clearly your Jacqueline Brown is a special person as well, and your pride in her must be on a level with our pride in Christa McAuliffe. Our best wishes go to her, as well as to all of you.

With many thanks,

Very sincerely,

Margaret Aldrich

*To the Faculty and Students of Concord High School:*

*The administration, faculty, and student body of Adams Middle School would like to place a book in your school library in memory of Susan Christa McAuliffe.*

*It is with deep respect that we present this gift. As Mrs. McAuliffe touched the lives of so many, this book may reach the minds and lives of those to come.*

*We at Adams Middle School feel a kindred spirit with Mrs. McAuliffe. One of our own faculty members, Jacqueline Brown, was a semi-finalist with the Teacher in Space Program.*

*We celebrate Mrs. McAuliffe's life, even as we mourn her loss. Her accomplishments and her dedication will help to inspire children throughout our nation.*

*Sincerely,*

Albert C. Lowery
