Expressing
Our
Deepest
Sympathy

On behalf of the students at Park View Education Centre, we wish to express to you our sympathy over the loss of your teacher, Christa McAuliffe.

It is obvious that Mrs. McAuliffe was a very special person. She was very brave to accept this venture into outer space.

Although we didn't know her and feel a sense of loss, it is easy to imagine how you must feel.

God Bless you all.
