Dear Fellow Students,

We would like to express our sympathy at the loss of your teacher, Christa McAuliffe. Our hearts and prayers, as well as those of an entire nation, are with you and your community. We share with you in mourning the loss of a courageous woman who gave her life for the betterment of her country. She and the other six members of the Challenger crew will always be remembered as true American heroes.

Sincerely,

The Third Period Economics Class
