To the Students and Staff,
Concord High School,
Concord, N. H.

I felt it in my heart to write a personal tribute to the Seven Astronauts of the Space Shuttle 'Challenger'. My deepest condolences on the loss of your dear friend, Mrs McAuliffe.

The Seven

Their steps were acknowledged
measures of man,
Their goals affirmed before they
tried again
The conquest of space, for
all mankind,
They lived, they loved, they
died.

Sincerely,
Mary H Emmett
