Dear Faculty Members,

Our hearts are filled with great sadness as we share in the immeasurable loss of your fellow teacher and friend. The shock and the tragedy of this event would have been great in any case, but it seems even more tragic to us because of the bond we feel as teacher to teacher and faculty to faculty.

We will keep you and your students in our thoughts and prayers and we hope you will find peace and comfort in the knowledge that so many others share in your grief.

Christa McAuliffe touched our lives because she represented us. She brought prestige and honor to our profession, and she will be remembered for her enthusiasm, her dedication, and her remarkable courage.

Sincerely,

Westlawn Faculty and Staff
