Dear Sir,

I would like to express my sincere sympathy to you and your staff over the loss of a collegue to us all. We all felt that a small part of us was with Christa as she started on her adventure. A

small part of all of us is still with her.

I teach a grade four class in Elkford, B.C. We watched in horror as so many others did. We would like to ~~donate~~ make a donation to a memorial fund should one exist in Christa's name. If such a fund does not exist, perhaps you would be so kind as to suggest a worthwhile project for us.

Thank you for your assistance and we send our strength to you.

Sincerely

(Mrs) Heather Dean
