Dear Students:

My name is Michael. I am a junior in Kegzatmiut High school. I am about 17 years old. I am a half Eskimo (yupik).

I'm sorry about what happened to your teacher Christa McAuliffe. I guess she was a nice teacher. Remember her as a lovely teacher.

I was happy to see the shuttle fly, but it happened too fast when it blew up. I was in shock for awhile. Now I feel sorry for those people who went in the shuttle. There are times when people have to go. There are times when we lose someone special. But we have to live on. Please try and have fun. If any of you want to write and find out how it is like in Alaska, my address is here. Michael Utteryuk. The Box no# is up right. I will appreciate it.

Dear Students:

My name is Norma Charlie. I am a Native (Yup'ik Eskimo). I am a senior in Kegqatmiut High School.

I am sorry to hear of the death of Christa McAuliffe. She has touched many people with her courage and her willingness to get more information to teach students like ourselves about outer space. She will always be alive in our memories.

Sincerely,
Norma Charlie
