Dear Staff & Students:

The staff and students of Northview Elementary School in Pointe Claire, Quebec send our sincere condolences in the loss of an outstanding educator, Mrs. Christa McAuliffe of Concord High.

In talking to one of your staff members, Kent Butterfield, we gained a personal contact with Mrs. McAuliffe. She was a good friend and a very special woman to those who she interacted with daily. We realize the asset she was to your school as well as to the nation and the world.

We empathize in the loss to your school and community at this time.

Nous souviendrons toujours
