Dear Sir,

We regret to learn the sudden explosion of the space shuttle challenger on 29.1.86. It is still unbelievable to us the death of your school teacher Christa McAuliffe. We have seen the take off in Television and also the terrible explosion which has taken the precious lives of the crew. We were not able to bear the loss of Christa especially. How sweet she was. Convey our heart felt condolences to the bereaved family and school children. We believe the Lord Almighty would give more strength to the husband of Mrs. Christa and children to bear the loss.

We ever remember the family in our daily prayers. and also the school.

Yours in christ.
Sumathi Rein.
