Mr. Ed. F. Dick

Brooktown Miss.

Dear Sir

Your favor of 27th is received and contents noted
We acknowledge receipt of it and will forward
the Cushion Cloth, per express to day via Pond-du-Par.

Our regard to the Billiard Balls wish to say, that
Mr. Kelling has increased the price of his patent Balls.

All sets of Balls such as you order, are at present worth
\$8⁰⁰ instead of \$7⁰⁰.

We have no 2^{3/8} Kelling Gilled Balls on hand at present,
and would advise you to order a set of the 1 3/4" patent,
as the Kelling Balls do not give satisfaction.

We'll let you have a set of 1 3/4" patent 2^{3/8} Balls for \$11⁰⁰
and allow you \$1⁰⁰ for your two old Balls.

Hoping to hear from you by return mail, we remain
Yours truly
J.M. Brunswick & Balke Co.
