November 20, 1986

Dear Sir or Madam,

Our school will be celebrating National Women's History Month and we are attempting to locate pictures and brief biographies of women who have made positive contributions to our country.

I am interested in featuring Christa McAuliffe and would appreciate your sending such materials to us at the above address. If there is a cost, including postage, please send a price sheet as soon as possible so that we can order the information.

Thank you for your help in this matter.

Sincerely,

Kitty Niebuhr
