Dear Sir:

When Christa McAuliffe lost her life in the Columbia tragedy, the staff and students of the Musgrave Harbour School Complex felt as deep a loss as if she had been one of their own. We were all so deeply touched that The Yearbook Committee decided to dedicate the 1985-1986 school yearbook to her.

Christa has given us all strength and hope to reach our goals in life.

I trust the yearbook will be a small token of the impact she has made on us here in this small fishing community in Newfoundland.

Sincerely,

Ralph Brown
