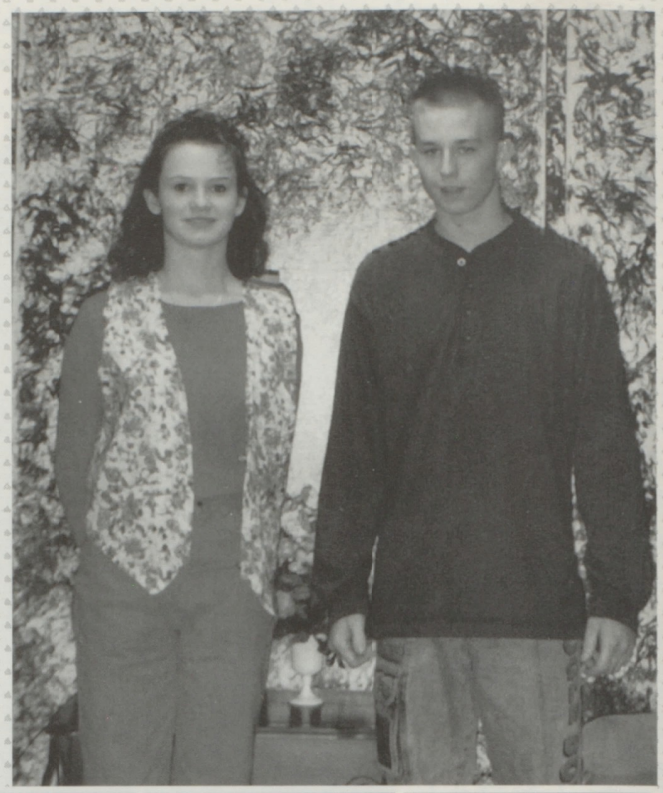
Mr. and Miss Freshman

Rachel Washington and Todd Crews



Rachel Washington and Todd Crews are proud to represent the Freshman Class.

Rachel is involved in "Arts for Kids", the 4-H Club, and she enjoys horseback riding and drama. When asked to list some outstanding leadership qualities, Rachel noted that she accepts responsibility well and has very good supervising qualities. Her goals for the future include college, acting, and participating in art related activities.

Todd enjoys lifting weights and playing football. His best memories of the school year are playing football and football camp. His suggestions for changes at the school would be to increase the interest in sports for both players and spectators. He dreams of going to college and pursuing a degree in real estate or insurance.

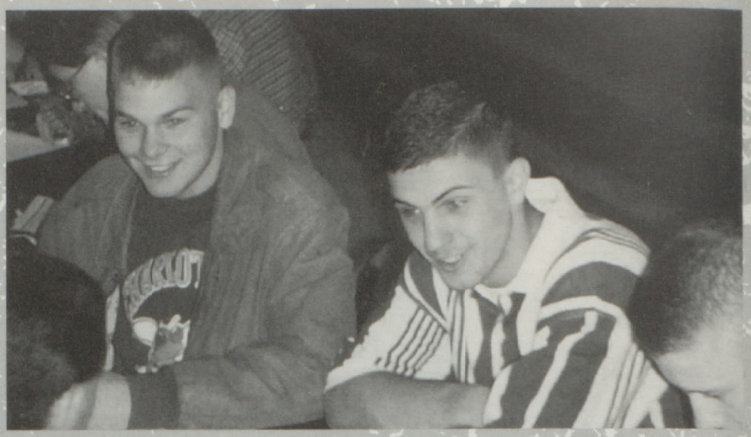
A SENIOR'S LIFE

1.



2.

The senior year is a busy time for everyone. Besides finishing portfolios, college or job applications, and spending the last year of high school with friends, many things must be taken care of. Ordering invitations, and caps and gowns for graduation are only part of the preparation for this monumental occasion.

MR. AND MISS MERCER

Elaine Dean and Eddie Long

The honor of Mr. and Miss Mercer was proudly bestowed upon Elaine Dean and Eddie Long by their peers from the senior class.

Elaine is actively involved in school activities as a member of the Lady Scottie Basketball and Softball teams. She is also a member of FCA, FHA, SADD, BETA, and FFA. She believes that the class of 1995 will be remembered as outspoken and independent. She plans to attend Eastern Kentucky University and pursue a career in the medical field.

Eddie displays his leadership skills on the football field. He set the school record for touchdown receptions, and he became the first receiver in school history to gain 1,000 career receiving yards. This accomplishment, is understandably, his fondest memory of his senior year. He feels that the class of 1995 will be remembered as one of the wildest, but one with the closest of friendships. He plans to play college football and become a teacher and a football coach.

When asked what they would miss most about the class of '95, Elaine and Eddie both said that they would miss all of the friends they have made over the years.

Elaine and Eddie are proud to represent their class as Mr. and Miss Mercer.

Football Homecoming

Homecoming Queen Crystal Camic

There were many activities during Homecoming week. These activities included the powderpuff game, a hall decorating contest, designated dress up days, and an entertaining pep rally.

The powderpuff game took place Monday night. The seniors dominated with a 32-0 victory over the juniors. Each class was given a hallway and was allowed to decorate it on Monday and Tuesday. The halls were judged and the winner was announced Friday at the pep rally. The seniors won this also.

Each day of the week was designated as a different dress up day. Some of these days included farmer day, hat and button day, and red and blue day. Many students took part in these activities.

Ten contestants participated in the sexy legs contest sponsored by FHA. Scott Freeman, the winner, was crowned at the pep rally by Cliff Long, the reigning king. Money was collected for each faculty member who participated in the pie contest. The top three winners received pies in their faces during the pep rally. This contest was sponsored by NHS and the proceeds were donated to WHAS Crusade for Children.

The pep rally was filled with many events, such as the hottest guy contest in which several guys sat on ice to see who could melt the ice the fastest. Also, there was a frisbee throwing contest sponsored by SADD.

On Friday night, the Scotties defeated the Bourbon Co. Colonels in a 31-17 victory. The Homecoming Queen was crowned at halftime of the game. The traditional dance followed the game. The students showed great school spirit during Homecoming week and enjoyed the various activities.

BOYS' VARSITY

The 1994-95 season was an exciting and successful one for the Mercer County Boys' Varsity Cheerleading Squad. The squad started practice early in the summer. They attended UCA Cheer Camp at the University of Kentucky June 28-July 1, where they received a large superior trophy at the end of the week. Adrian Montgomery was chosen UCA All-Star. This honor enabled him to go to London, England, over the New Year's holiday and participate in the London New Year's Day Parade.

This squad attended several competitions throughout the course of their season, including the Boyle County Invitational, where they received 1st runner-up, and the Anderson County Invitational where they won. The '95 District and Regional Competition was held at Garrard County High School on February 25. They placed 1st runner-up in District 46 and 1st runner-up in Region 12, which enabled the squad to be the first ever from Mercer County High School to participate in the State-at-large Competition. This competition was held at Memorial Coliseum on March 18. After three performances on the floor, the squad completed their season finishing seventh in the State! The members, along with Coach Tricia Russell, were very pleased with this accomplishment and with their season.

For a squad that had a late start, the 1994-95 Girls' Varsity Cheerleaders really finished their season well. They attended AmeriCheer Summer Camp at Morehead State University. These cheerleaders, along with coach Tonya Daughtery, put in much time, effort, and hard work this year. Their performances displayed their improvement. The Girls' Varsity District/Regional Competition was held at Garrard Co. High School on February 25. This squad completed their season by finishing 1st runner-up in District 46.

For many years girls' softball has been a carefree sport. This year the state was introduced to fast-pitch softball which was a big adjustment for the Lady Scotties. Fast-pitch softball meant stealing bases, faster pitches, and a lot more concentration. The first step was learning all of the new rules. The duty of finding a fast but accurate pitcher was the next step. Learning to slide was a must for this new and improved team. Overall the Lady Scotties adjusted very well, receiving runner-up in their district and advancing to the region for the first time in several years. By the end of the season the team began to enjoy fast-pitch and is looking forward to the many seasons ahead.

The Spring Art Expo was once again a great success for the Fine Arts Department. On March 23, the drama department presented "Follies '95." IN THE LIBRARY

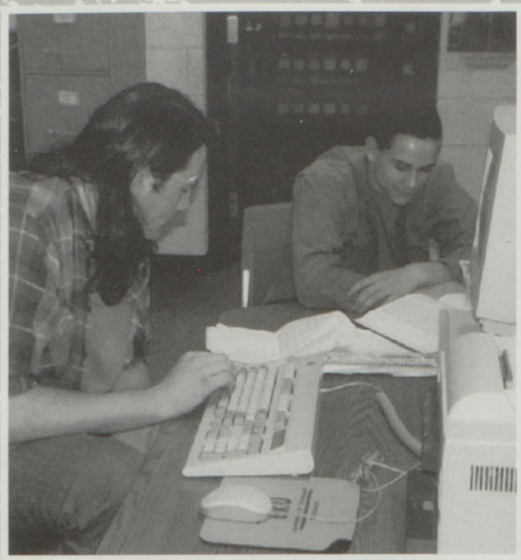
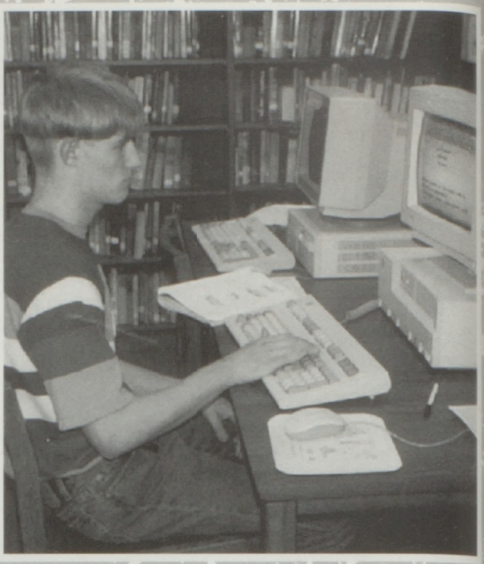
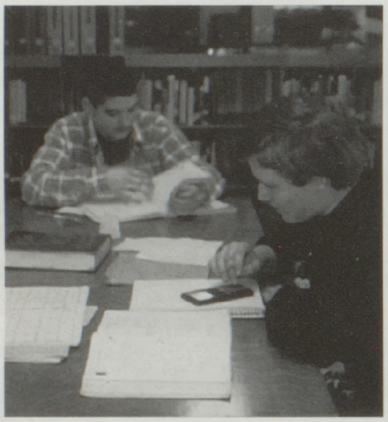
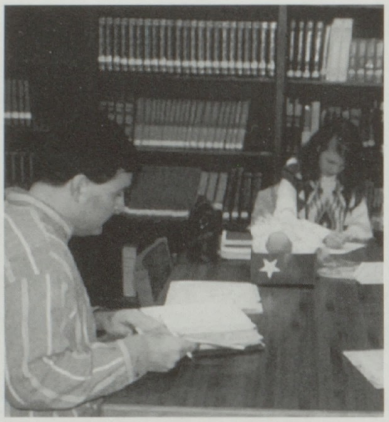
The library offers many opportunities to students and teachers. Checking out books, using computers, club meetings, guest speakers and even a blood drive are just a few of the ways we use the library.

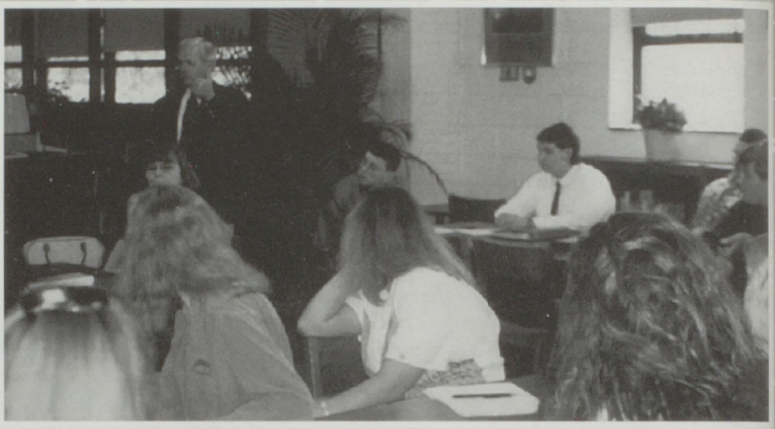




These students enjoy working with computers.







The library is used for many different things.

T. J. Slone and Shaundra Lester give blood; Trish Drury and Jill Thacker work during the blood drive. Brandy Yocum has a snack after giving blood, and these students wait to give blood.
