The Kroger store in Harrodsburg works cooperatively with the school store McScotties. Mr. Yates, along with the help of Mrs. Dailey, Mrs. Elliott, and Mr. Rawlings, opened the school store. This school store is the first of its kind in this area of Kentucky. McScotties is run by members of the Retailing class; several students were interviewed and chosen for the job.

At the beginning of the school year, Mrs. Davis and Ms. Collins began making arrangements for the Key West trip that they would take in the spring. Students and teachers worked at the Bingo center to raise money for their trip. After many meetings and long hours of preparation, the group was on their way via a specially chartered bus. The group nicknamed their bus "The Barney Party Bus."

They finally arrived at the Newfound Harbor Marine Institute, where the group had many learning experiences. They collected sea creatures from the water, and then the camp counselors explained the collections. While there, the group snorkeled on Looe Key, went on a night wade, kayaked and played a game of Predator. The group spent one evening sightseeing and shopping in Key West. Many students are already looking forward to the next Key West trip.

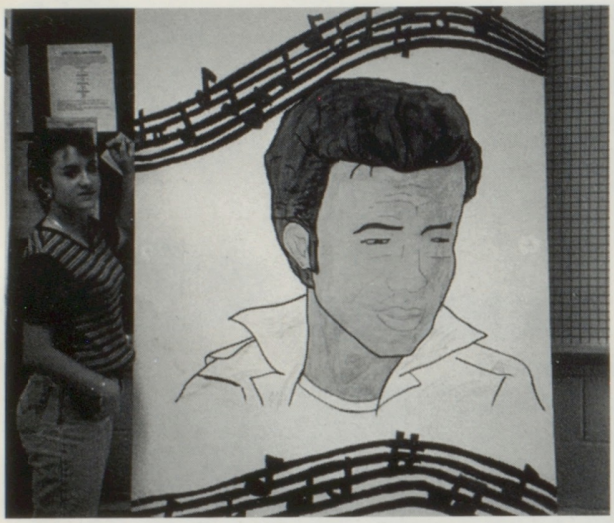
ART DRAMA

GREASE

CHORUS

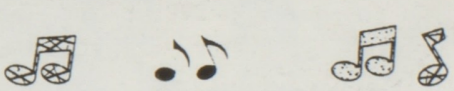
Art students drew posters for the *Grease* production.



Crystal Baxter helps draw flats; Michael Byrd and Thomas Stewart construct stage platforms.

Drama cast prepares for the grand finale. The entire cast with chorus sings the final song.

Welcome, PRESIDENT and MRS. CLINTON



Members of the MCHS Band were honored, along with the other class champion bands in the state, when they were asked to play for the President's re-election speech. With a short amount of time to prepare, they loaded buses and donned uniforms to proudly celebrate the auspicious occasion.

Mr. and Miss Mercer

Charissa Brock and Bruce Wade

Charissa Brock and Bruce Wade are proud to represent the senior class of 1997. Charissa is the captain of the boys' varsity cheerleading squad and was nominated as an All-American cheerleader. While very active in cheerleading, she also finds time to be involved in school and club activities. Some of these include Student Council, FCA, graduation committee, and journalism staff. Her most memorable moment in 1996-97 was the senior powder puff team's victory, which brought the senior class closer together. Charissa plans to attend the University of Kentucky and become an x-ray technician.

Bruce Wade is a member of the boys' basketball team, as well as FFA, National Honor Society, and the Beta Club. His most memorable moment of the 1996-97 school year was winning the tobacco cutting contest. In his spare time, Bruce enjoys fishing and hunting. His future plans include attending the University of Kentucky and majoring in agriculture economics. Bruce and Charissa will miss all the friends they have made in the class of 1997.

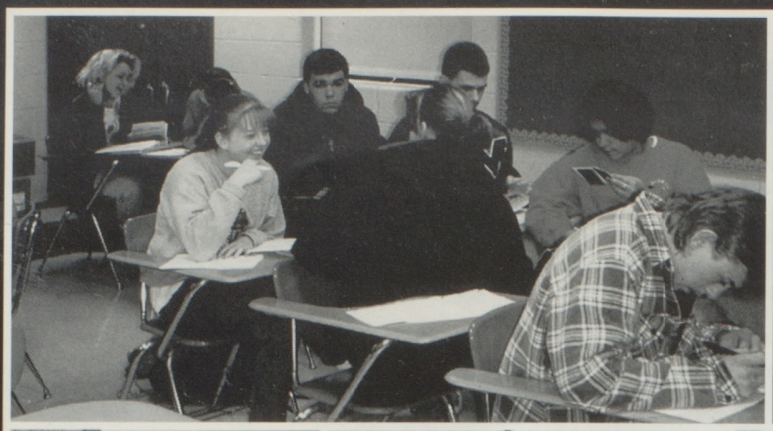
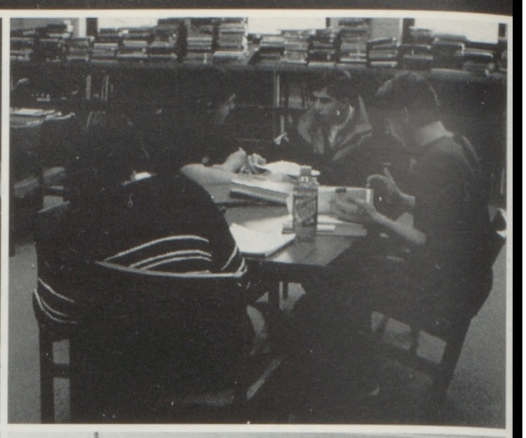
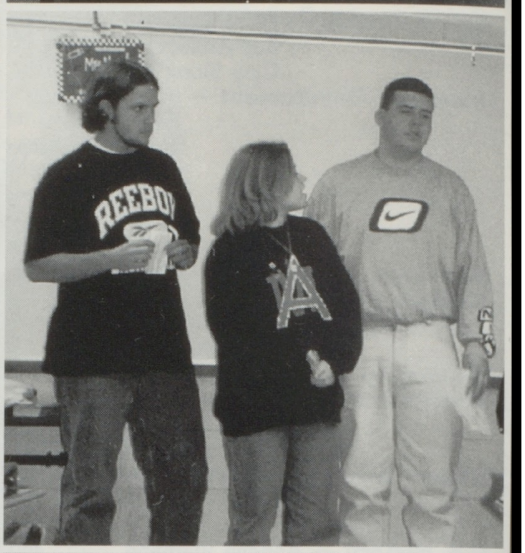
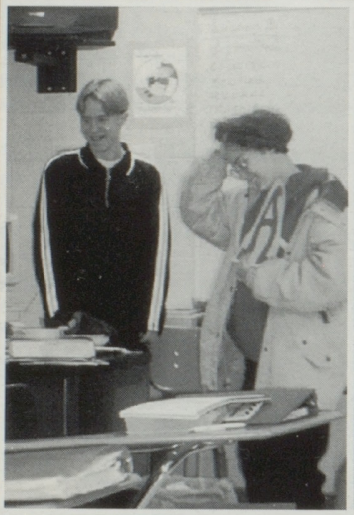
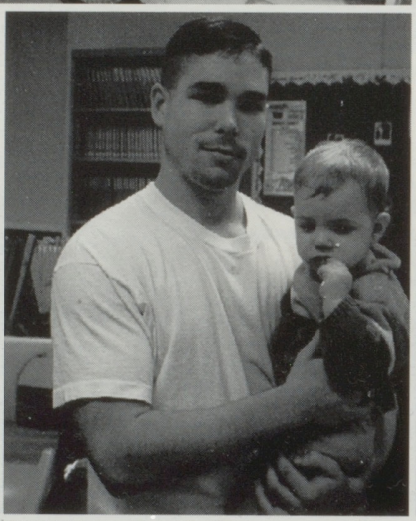
CLASS OF '98

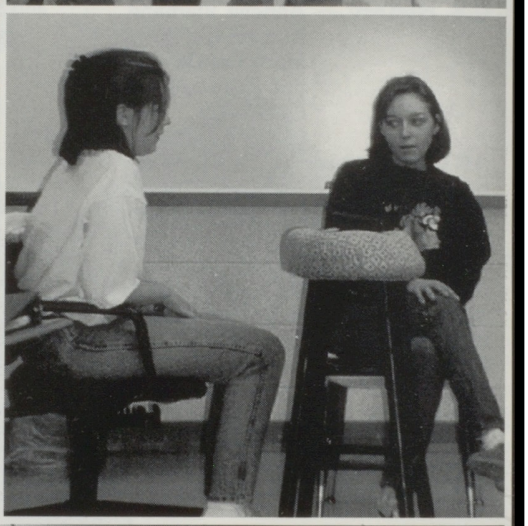


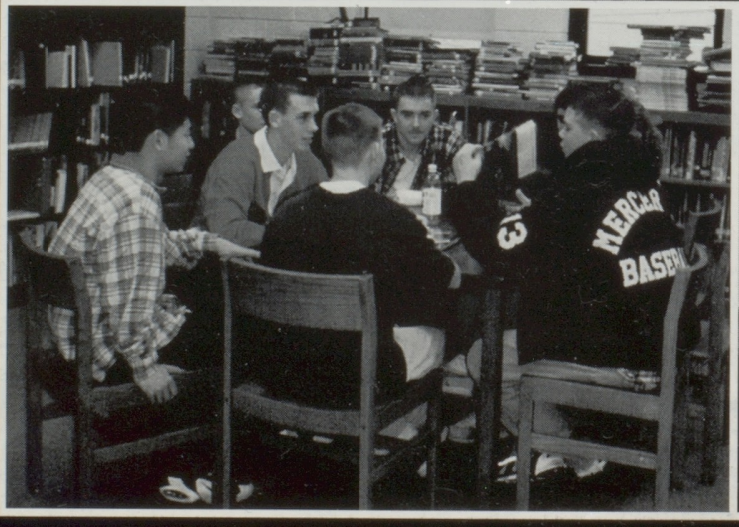


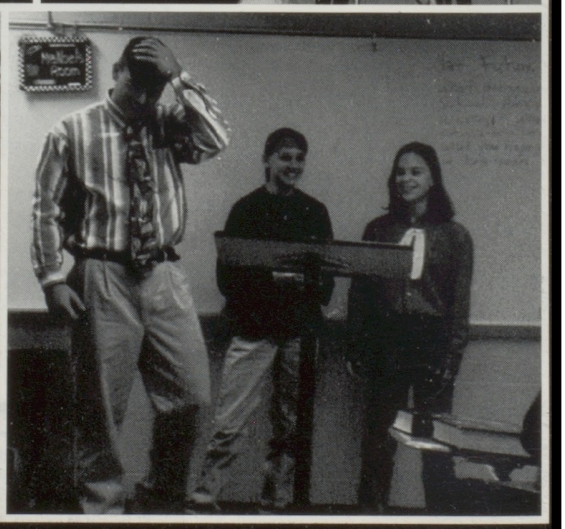










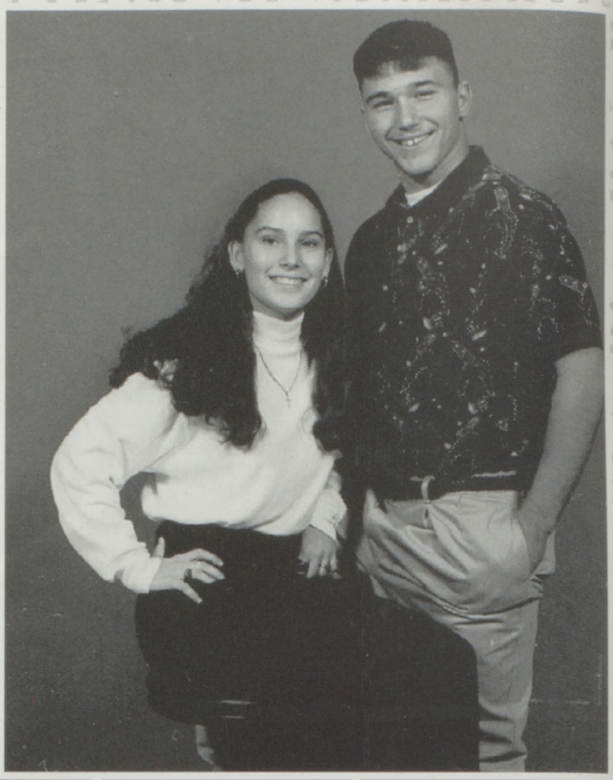


FACE-ORS

Class of '98

Mr. and Miss Junior

Wes Weldon and Ashley Reed



Ashley Reed and Wes Weldon are pleased to represent the junior class. Ashley is a member of FCA, DAWGS, and Prom Committee. She is also on the honor roll and is a junior class officer. Ashley also plays basketball for the Lady Scotties. Her best memory of the '96-'97 school year is being chosen to be Miss Junior. After graduation, Ashley plans to attend college and become a nurse.

Wes was selected to participate in Honor Guard, Youth Salute, and to be a state representative of Drug Abuse Awareness. Competitive in sports, as well as in school, Wes enjoys football, basketball, baseball, and track. In his spare time, he likes to work on old cars, collect ball cards, and ride around with his friends.

His greatest memories occurred while participating in drama plays. In Wes's opinion the class of 1998 will be remembered as the most helpful to others. After graduation, Wes has plans to become a successful lawyer.

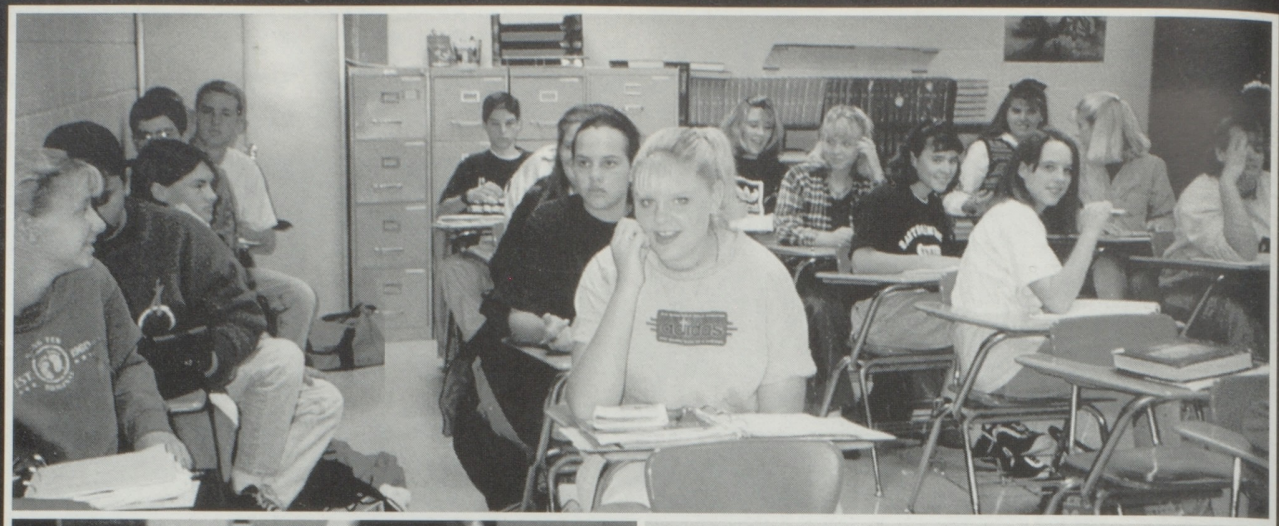
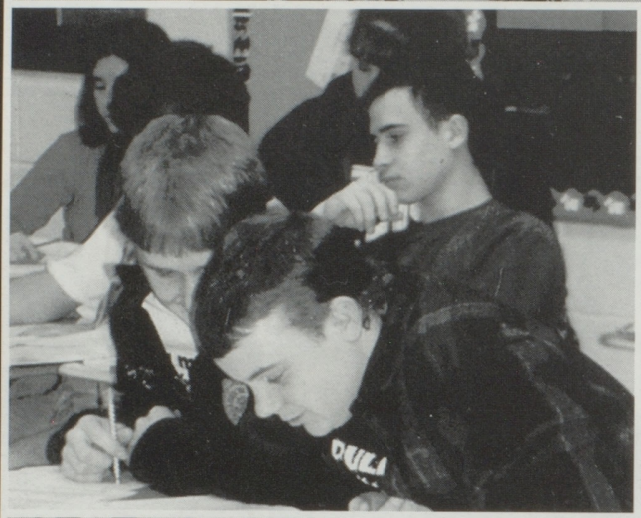
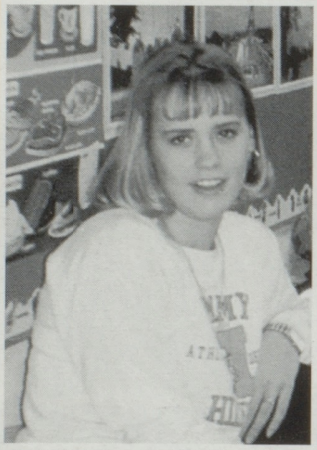
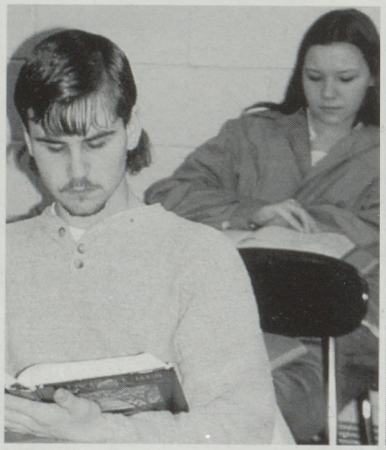
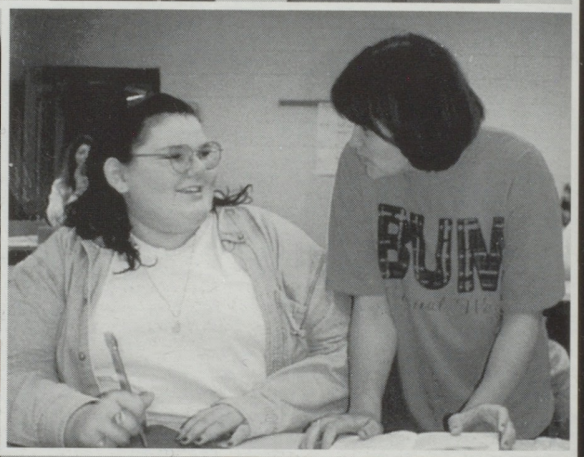
CLASS OF '00

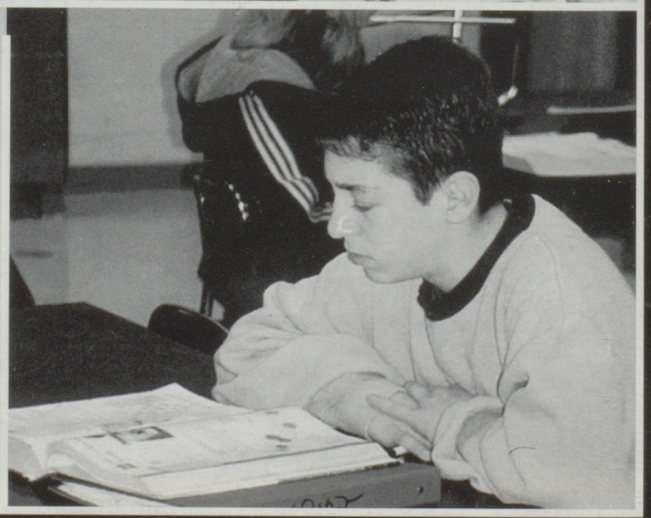


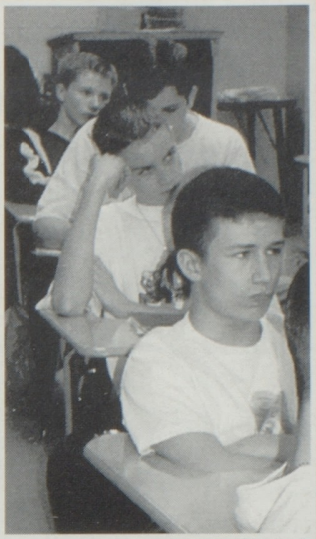


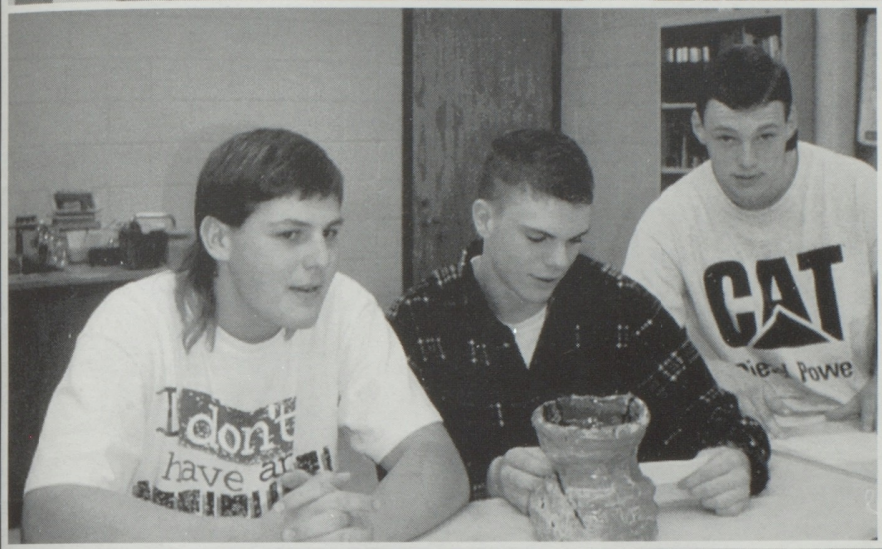


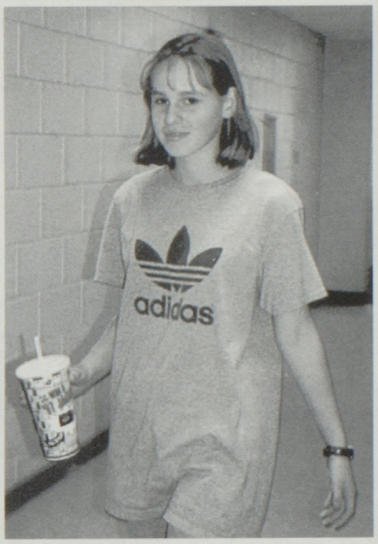


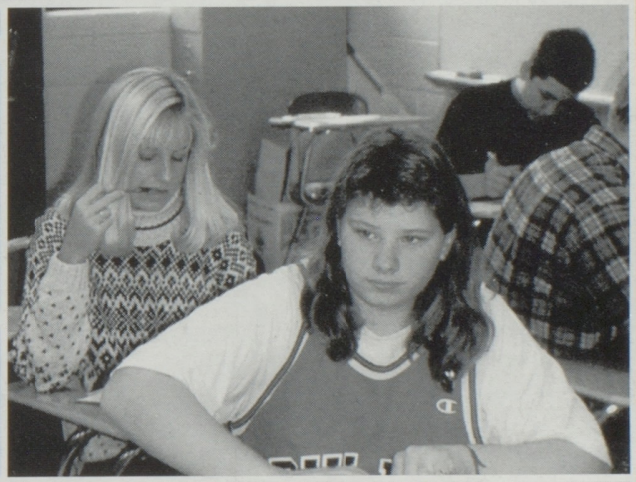


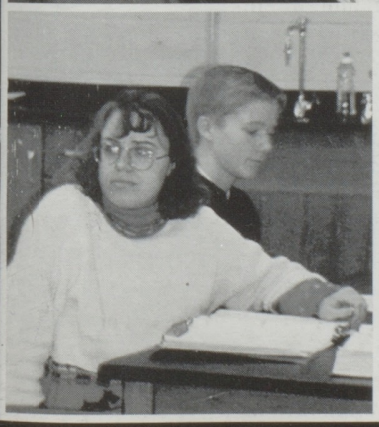












FRESHMEN

Class of '00

Mr. and Miss Freshman

Jimmy Demaree and Jennifer Carrender

Jimmy Demaree and Jennifer Carrender are proud to represent the freshman class. Jimmy is the team captain of the freshman basketball team. He enjoys playing sports and hopes to one day play in the PGA Tour. The best memory of his freshman year was being picked as Mr. Freshman. Jimmy thinks his class will be most remembered for graduating in the year 2000.

Jennifer considers herself to be honest, trustworthy, and dependable. She is a member of FCA, 4-H, Pep Club, and Student Council. Outside of school, Jennifer enjoys spending time with her friends. Her best memory was the first day of her freshman year. For now, her goal is to graduate from high school. Jennifer thinks her class will be remembered for their different personalities.

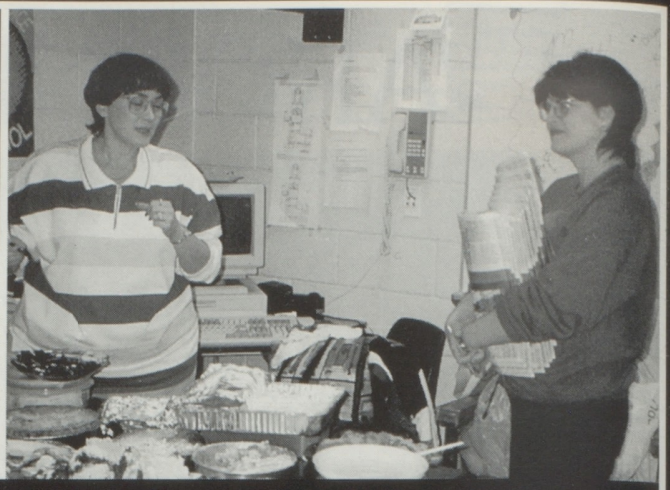
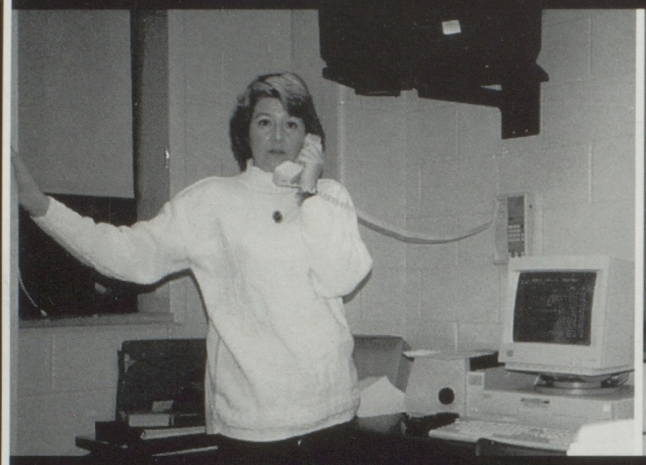
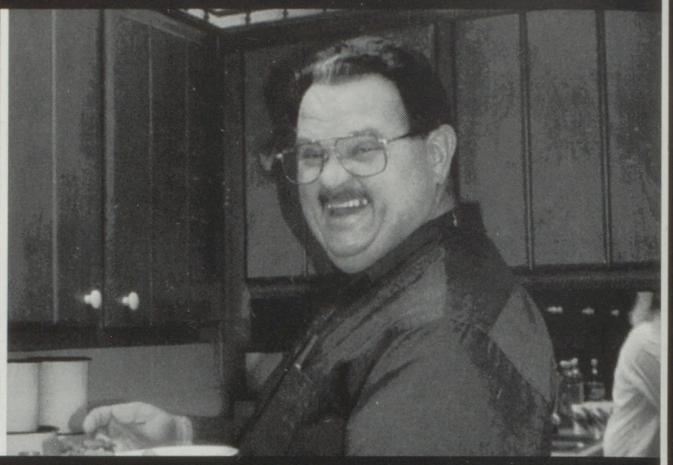
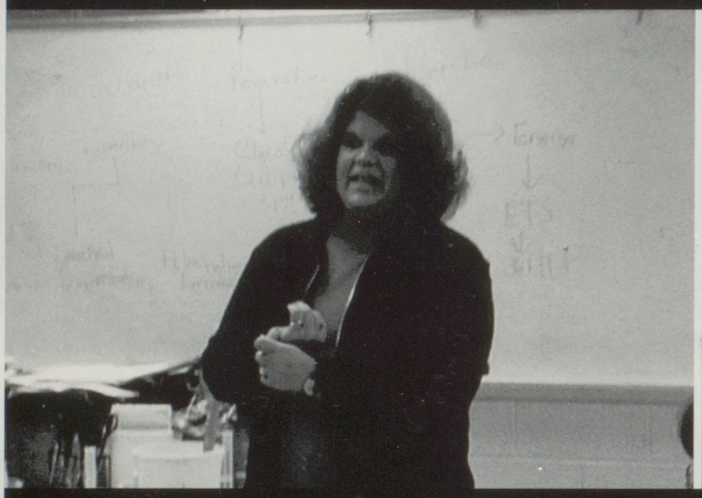
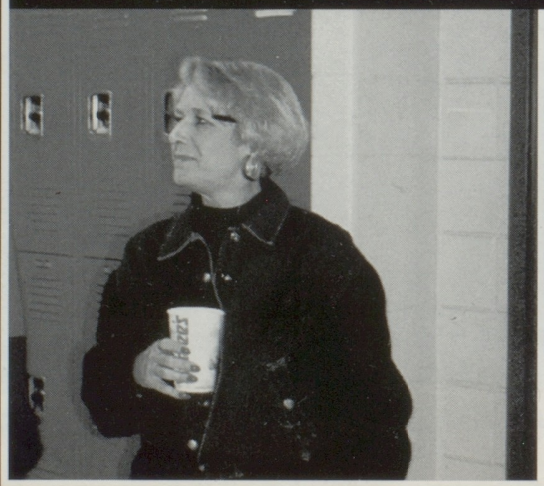
FACULTY STAFF

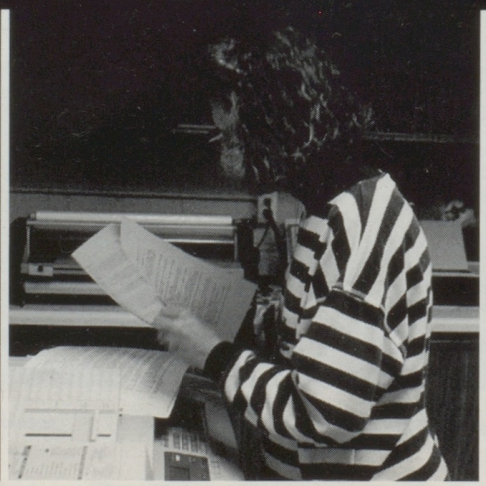


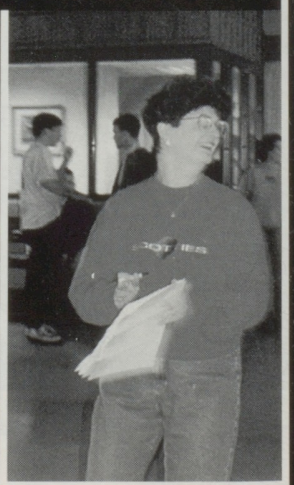




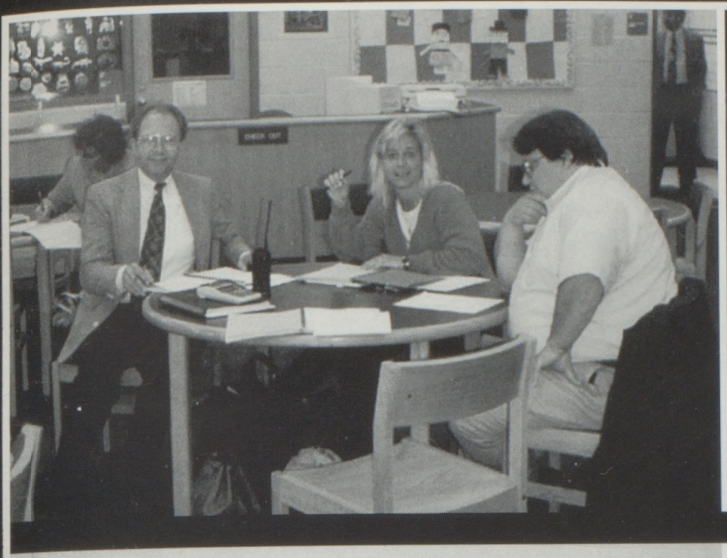


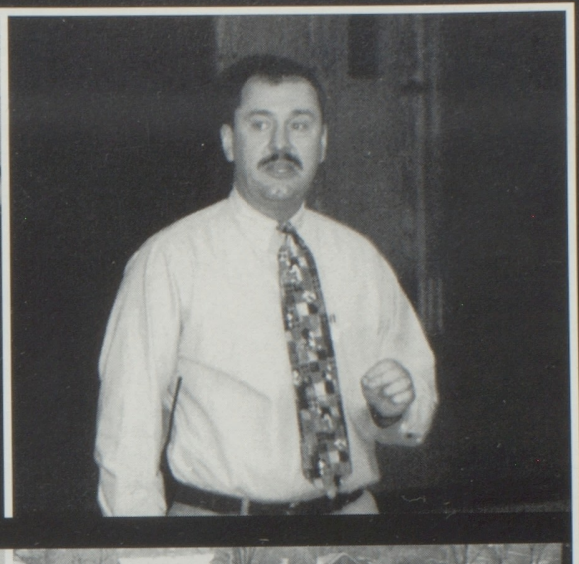


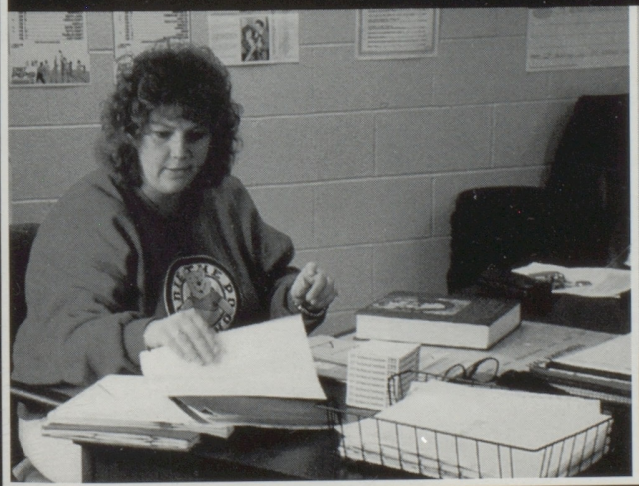




ADMINISTRATION







Board of Education

The Mercer County Board of Education is comprised of five members who are elected by the voters of the community as their representatives in the school system. Mercer County is divided into five districts from which these members are elected. Each member serves a four year term after which he or she may run for re-election. Board meetings are held monthly so members may be updated on school activities and conduct school business.

Seated: Margaret Britton, Glynda Short.*Standing:* Ronnie Sims, Robert Christiansen, Jim Demaree, Bruce Johnson.

Margaret Britton resides at 340 Votaw Lane in the Cornishville area with husband Ronnie and three sons.

Robert Christiansen lives on Old Brown Road, Salvisa, KY, with his wife Kathy and his two daughters. He is a graduate of the University of Missouri, and has a B.S. in Chemical Engineering. An IBM retiree, he currently works for Lexmark.

Jim Demaree lives on Inman Street with his wife Lori and their two children. A 1978 graduate of Mercer County High, he is employed at Spirit Chevrolet-Buick.

Bruce Johnson is the superintendent of the Mercer County School System. Mr. Johnson obtained his Rank I and School Administration from Eastern Kentucky University. He enjoys reading and travel and resides in Mercer County.

Glynda Short lives on Louisville Road, is married, and has two sons. She obtained her Associate Degree in Business Management from Lindsey Wilson College and currently works at Kentucky Utilities Company in Harrodsburg.

MISSION STATEMENT

The mission of Mercer County High School is to ensure all students a superior education that provides them with sufficient knowledge and skills to become contributing members of a global society.

PHILOSOPHY

We believe all students can learn, and they . . .
— respond positively to success and enthusiasm,
— develop and learn at different rates,
— demonstrate learning in different ways,
— learn by being actively involved, and
— realize their individual potential.

We believe all students can learn, and they . . .
— expect excellence in achievement, provide competent staff who demonstrate expertise and leadership in information and technology, and
— provide a safe, positive learning environment that enables students to become discriminating consumers and creators of information.

We believe effective instruction facilitates learning and it . . .
— addresses the specified valued outcomes,
— employs a variety of effective techniques to address learning, and,
— connects curriculum to the life experience of students, while encouraging life long learning.

Members of the Mercer County High School Site-Based Decision Making Council have the educational welfare of the students served by the school as the highest priority. Making the well-being of students the fundamental value in all decision-making actions is subscribed by the council.

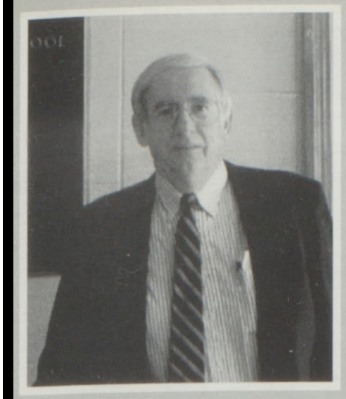
Harrodsburg Vocational Education Center



Hughes Jones
Principal

For many Mercer County High School students, the Harrodsburg Vocational Education Center has been a place to advance their education for a chosen vocation. The vocational program offers instruction in Automotive Technology, Business Technology, Carpentry, Electricity, Health Services, Principles of Technology, and Welding. One purpose of vocational education is to meet the manpower training needs for industry. Students now have the opportunity to receive education and training which very few have obtained in the past. These opportunites include computers, hands-on training and the knowledge and abilities necessary to enter today's labor market as a technically trained, skilled employee. Therefore, the needs of business and industry and the needs of students are both fulfilled.

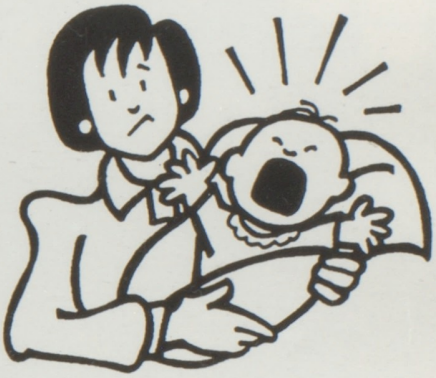
PARENTING



The parenting class provides students with an idea of real life experiences. Each student is required to take care of a "Baby Think-it-over" doll. These dolls are programmed to cry at certain intervals during the day and night. Also, students wear the empathy belly as a simulation of pregnancy. Another activity of the class is to have a daycare on Thursdays to observe small children. Play centers and other acitivities are set up for the children. The students also observe how the children react to an environment away from home and parents. The parenting class helps prepare students for real life parenting situations and helps provide them with the skills needed to be a future parent.

FARM MANAGEMENT

Farm Management was developed to teach students the proper way to make decisions about various areas in agriculture. In marketing they used the acres program to learn to buy and sell commodities on the futures market. Through judging, they learned animal evaluation and selection. Other facets of the class included students working on farming projects for community farmers at no cost, planting trees annually, and participating in safety programs with the elementary and middle schools.
