## STUDENTS RETURN

Welcome has been extended to Viola Elmes of Wasco, and Frances Grober of MacFarland who have been able to return to the Campus following illness during the first semester. Welcome is also extended to the new students who are on our Campus, They are: Miss Wilda Brodie of Puente; Miss Eileen McAuliffe, San Diego; Mabel Ozment of Santa Ana; Mrs. Lorraine Dunbar of Pomona and Charles Brickley and Jack Talesmanie of San Francisco.

We enjoy the opportunity of associating with new students and learning to appreciate them as our friendships grow.

WELCOME TO LA VERNE COLLEGE!!!!

From all reports we hear there is to be a reorganizeing of the men of La Verne College. For quite sometime the men have had no real organization to call their own. But now new life shall flow in the veins of a new Y.M.C.A. All this is an outgrowth of the organization committee which met last Wednesday. The men composing the committee were: Ralph Smeltzer, Galen Price, and Carl Dutcher. This committee has planned a program for the first Y.M.C.A. meeting of the year which will be held Friday, February 19th in the Y.M.C.A. room.

The program planned for that date will be of real interest to all men of La Verne College. We urge all you loyal Leopards to be at this meeting for a real lively time.

Here the fellows have a chance to do things that they have wanted to do for a long while. This new organization needs the loyal support of every man in school.

We hope that with the reorganization of the Y.M. in La Verne College there would be added interest whoen to ward the college athletic activities. This new Y.M.C.A. will have the privilege to sponsor various benefits for the building of a bigger and better sport-minded student body in La Verne College.

Let's get behind this new Y.M.C.A. and really push it!!!!

LEST WE FORGET

Why do we smile when the world Valentine is spoken. Is it because in our memory comes the picture of a childhoos sweetheart? Do you remember the little heart-shaped valentine made of red drawing paper you made at school? As you were so carefully printing in a large scrawling fashion "won't you be My Valentine?" didn't you have a feeling of "real love" in your childish heart? All the time you were looking shyly across the aisle at a little pug-nosed, freckled-face girl--Your GIRL!!

Gosh, those were swell days. None of us would take a whole lot for such beautiful memboris those days bring. Now we're older. Life has opened new channels of experiences. Let us not shut out of our lives the simple devotion of that childhood love. Let's remember friends in the spirit of true friendship this Valentine Day.

PACIFISM

Sherwood Eddy, coming out of the "deep south" where for the past few months he has been working with the share croppers, will speak in Los Angles on February 14 at a special young people's meeting to be held at Bovard Auditorium on the U.S.C. campusat 3:00P.M.

Dr. Eddy is a noted world traveler and for years was a worker among the students of India as a missionary and a Y.M.C.A. secretary. He has, in recent years, traveled extensively and he is known as one of the best informed men in America on international affiars. He was in Muken, Manchuria, in 1931 when it was captured by the Japanese. And in 1933 he was a leader in the Berlin protest to the Nazi leaders concerningthe treatment of the Jews.

In his most recent world-girding trip last,year, he conferred with many of the leading statesmen of Europe and Asia, and made quite a study of the cooperative agriculturea methods in Russia.

He is a personal friend of Mahatma Ghandi, Kagawa, General Chiang Kai-shock and many other world famous leaders. This Los Angeles engagement is one of the few appearances which he will make in California. He will address the youth group at the time upon the "International Situation and World Affairs." Thismeeting is being sponsored by the Emergency Peace Campaign.

Seats are limited but advance reservations may be made through the leaders of youth groups in Churches, "Y" representatives and others.

Try to get this date set aside because it promises to be good.

## SPORTS

Here comes the highlights in the field of sports. Everything is starting out in full swing. Track is under way with plenty of good material to make the season. We have almost everythings: Sprinters, pole-vaulters, hurdlers, and weight men. Harp Lehman and Bob Fischer are both back this year to gain honors for old L.V.C. Fischer is also a feature sprinter. Vernon Howeth is expected to be our spotlight in the dashes. We have some new material of which we know very little about but will flash out to you as soon as possible.

Baseball has also started and we expect a great deal in this line. We are depending a lot on the strong right arm of Swihart. We know he has what it takes. The rest of the boys are all out for the good of the school and to back up Swi. So you can expect the very best in baseball.

Basketball is coming along very nicely. There are only seven or eight men on the squad but I will say, that their playing looks plenty classy. Against the fast negro team they looked like an A 1 team. They are getting so they cooperate and are using more and more team work.

I expect them to cut loose and really go to town any time. At least we have some height added to our team. A new man to both college and team: "Red" Brickly from San Francisco. Stutsman has been the high scoring man in the last several games.

So next game they are all going to cut loose and show you a game you'll really remember.

Let's go, gang, and fight to WIN!!!

## DID YOU KNOW THAT?:

Travie has steam-shovel ears? They pick up all the dirt.

Bill Crawford's middle name is "Percy"?

"Chuck" Messick has been married for four years?

Elwood Jae is an engaged man?

Mrs. H. used to be the most mischievous girl in the dorm at Mount Morris?

Miss Torreyson has her Doctor's Degree?

Archie Reeves combs his hair before each class?

Margie Miller plays a cornet?

Travie can only chew on one side of his mouth?

Ruth Neeley and Bud MacSweeney were both born in the Phillipines?

La Verne is going to have a baseball team?

Laverne Crites is up home in Live Oak?

Eleven o'clock at night is the novel hour for painting one's floor? Strate and Stutzie should know!!

PHOTOFLASH: George "The GREAT" SNOKELBERG SHOWS HIS MID-SEASON FORM AT FIRST PRACTICE

# SUPER SNOOPER

Here we are again after weeks and weaks! Now be good my little guy or I'll write and make you cry take notice J.B.....Well, let's get down to business...Isn't "muscle brain" Junior Howeth's girl friend the cutest little trick, and he calls her duckie-wuckie-bug What a romantic couple,--nuts!... I hear Andy was paid for every basket he made against Oxy, not in money, but in kisses. Poor Andy only made two points...Can it be true that Sam is pining his life away since Bertha has gone back to Washington? Go North Young Man, ..go north....What happened to the Ulmer-Burnette affair? Can it possibly be that Hienie is a heart breaker?....Have any of you noticed Frances and Babe doing dishes, oh so domestically!....And what's this! Harp knitting again! Maybe Mary Lou is working on a hope chest and Harp is lending a helping hand...That's right, Harp will graduate, won't he! ..Our fran' Jack from 'Frisco insists on calling all my gals and your gals "Twists". I believe he is in love with a "Twist" up that-a-way..... Does the street light in front of the Dorm bother you, Pat?... Pajamatops, John and Clayton, and Finchy, three of a kind. That's O.K. fellers, give the girls some idea of your night life....Time to say goon-bye now gang..Remember to keep your feet on the floor and your head in the air, and to Keep Smilin'.

Boys, boys, and men,--guess what's coming up! Wash behind your ears and wear your Sunday smile around the Dorm women, 'cause they're swinging open the doors of Miller Hall the evening of February 16, and you want to be sure to be in on it! Have you met the three new inmates of Miller Hall yet? If not you want to be sure to, because they are all just as we like 'em! Mabel Ozment and Wilda Brodie live on the third floor and Eileen McAuliffe is on the main floor. We welcome them all!

Last Wednesday night, the 3rd was another Artist Course, and poor Mary Shick had a terrible time. Her escort called a little too soon, so the make-up was daubbed on very hurridly and Mary made a dash for the lobby where He was waiting. Then to her embarassment,--just in time, --yes just in time, she discovered that she still had her bed room slippers on! Imagine that! Can you picture the effect of a worn little slipper peeking out from beneath the hem of a lovely lac pink formal in Bridges Auditorium?

And a "new man" was in our Hall of late, calling for pert little Miss Shirley. Come again Mr. Conway,---We wondered which girl could first attract this person to our dormitory! And here's the problem of the week: Can you guess the answer to "which 'one' is Burnette going to invite to the party, Feb. 16".

## REGIONAL CONFERENCE

The annual Regional Conference for the Pacific Coast area of the Church Of the Brethren was held in LaVerne last week, The principle speakers of the Conference were Dr. D.W. Kurtz, president of Bethany Bibical Seminary in Chicago, and Dr. V.F. Schwalm, president of McPherson College, Kansas.

Other speakers were Dr. H.J. Harnley and Mr. Lynn Blickenstaff. The theme for the Conference was "Jesus in the Life of the Community", with the principle speakers lecturing on this subject, a total of 29 lectures in all. At both morning and evening sessions there was a large audience in attendance made up of ministers, and members of the church from this coast area.

Dr. Kurtz left for his home Sunday after the morning preaching service, and Dr. Schwalm left for McPherson Tuesday afternoon.

Thursday evening, Feb. 4, the annual New Era Banquet was held in Fellowship Hall of the Church of the Brethren. Dr. Kurtz expressed to the 350 people gathered, that the efforts of small Christian colleges, such as ours, may bring about "a new era". Dr. Schwalm expressed similar viewpoints in his speech. Mr. Lynn Blickenstaff, missionary-financier from Bombay India, handled the ticket sales. Music for the occasion was furnished by Maurine Moomaw, solo; college male quartet, Ralph Mangan, Elvin Ebersole, Rolland Callison and Harold Michael.

## BYRD THRILLS AUDIENCES AGAIN

Acting as narrator in a personal appearance, Rear Admiral Richard E. Byrd again thrilled large audiences with pictures and tales of his recent South Pole expedition. Slides not shown before, which reveal the natural colors of the Antarctic, and several reels of motion pictures, were shown. Admiral Byrd told many amusing anecdotes about the men and specially about the amimals that accompanied the expedition. He also explained about the twenty-two different branches of science which made investigations on this expedition. By his personal touch he added a new interest to the facts of this expedition all ready known.

## ASSOCIATED STUDENTS

The Associated Students are beginning their meetings of the second semester with a whiz--bang rip-snotting program given by the Sophomores.

Next Friday will be the first meetings of the Y.W, and the Y.M. this semester. It will be the first meeting of a newly organized Y.M.

Then February 26 will witness a program by the Senior Class. Attend these meetings and support L.V.C. organizations!!!

---

## DRAMA ACTIVITIES

The Dramatics class is working on "White Dresses", a play to be presented in the near future, together with "The Maker of Dreams" The newly casted play will feature Virginia Watson, Doris Beckner, Robin Swihart, and Alfred Basten in the roles.

## VALENTINE PARTY

The annual Valentine party sponsored by the Y.W.C.A. was held in the home of Mrs. Ray Cullen, Feb. 10. Following a few games, the girls enjoyed the echange of friendships notes, which is a yearly tradition of the Y.W. About twenty girls were present as were Mrs. Jesse Brandt and Mrs. Ernie Carl, advisers. The girls complimented Mrs. Brandt by presenting her with a baby blanket. Refreshments of ice-cream, cup-cakes and candies were served at the close of the evening.

---

## BON VOYAGE PARTY

Complimenting Bertha Holmes the Washington Club met in a farewell party, Sunday evening at the home of Mr. and Mrs. Frank Lapp. The evening was spent in playing games, ending with refreshments of cake and chocolate. The Washingtonians had "out of state" guests, making a total of twenty-five persons present. Miss Holmes has returned to Washington where she will again resume her duties as nurse in the Wenatchee hospital.

---

## CABINET DINNER

A luscious dinner was served to the members of the Y.W.C.A. cabinet at a charming little eating house on Foothill Boulevard, Monday evening, January 25. A business meeting was held, over which Helen Brownsberger presided. This was the last meeting in which Helen presided, as she resigned her office of president of the Y.W.C.A. in order to attend school at San Francisco this semester. The girls will indeed miss Helen. Her position was filled by the worthy and capable Belva Buck, who was vice-president last semester.

## I.R.C. HEARS SCHWALM

Dr. V.F.Schwalm, president of McPherson College, Kansas, was guest speaker at the meeting of the International Relations Club Luncheon, Tuesday February 9. Following a very delightful luncheon Dr. Schwalm addressed the group with reminiscent tales of his tour to Europe in 1930. He and his wife were in party with Sherwood Eddy and his tour, interviewing the leading personages of Europe.

Among those they interviewed were Lloyd George, Ramsay McDonald, George Bernard Shaw, and Benito Mussolini. Dr. Schwalm emphasized the fact that seeing and interviewing these leading personages of a country is so much more beneficial and satisfying than just traveling all over Europe and just seeing buildings and more buildings.

## CHAPEL
## DR. SCHWALM SPEAKS

Dr. Schwalm, President of McPherson College gave one of the very best chapel talks that we have had. With his numerous witty remarks and his attractive personality, he left a very good and deep impression on the La Verne College student body.

He gave several practical suggestions to us as students. He said to try to make the physical body the instrument through which one expresses his inner self. A student owes it to himself to do the best he possibly can in regard to scholarship. Which does one shoose in the presence of the fine,high, beautiful, jazzy, and sensational things.

To obtain true freedom, which was defined as the ability to do immediately, without restraint, that which you know to be the right, Dr. Schwalm said live everyday so that you can respect yourself when you turn your eyes in and look at the person that you really are.

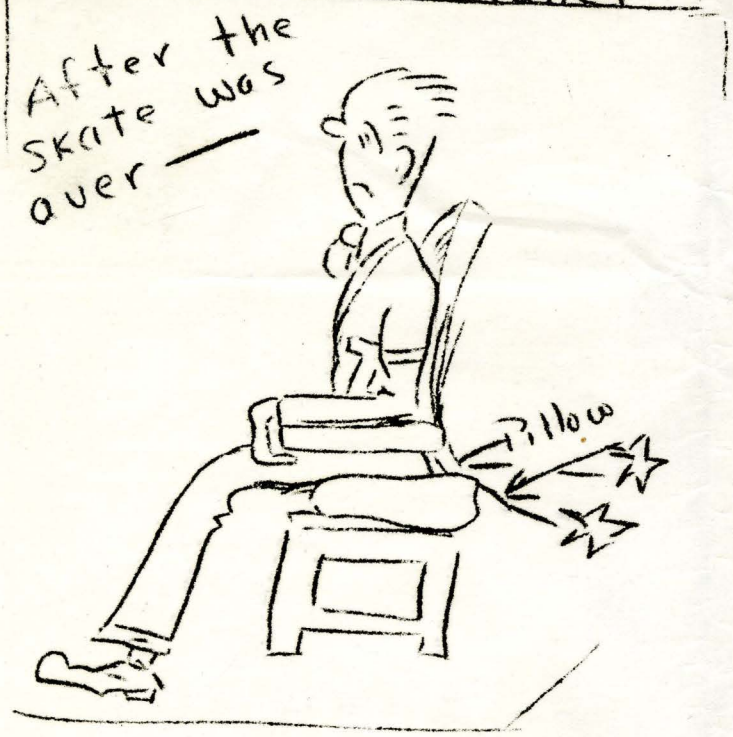
## Guess Who Panel??



### STUDENT BODY SKATE

Peals of laughter, swueals ff delight, and all sorts of bangs and crashes with a little music thrown in was the accompaniement Tuesday evening, February 9, when the students of L.V.C. journeyed to Lincoln Park to go roller skating. Races, a grand march, hockey, and a balloon game prevented the evening from becoming monotonous. All participants were agreeably refreshed by cider, and clever little "grab bags" consisting in all kinds of delicious things to eat.

La Verne studetns will "little note nor long remember" the bumps and bruises they got there, "but they will never forget the good time they had."

---

### CHARACTER EDUCATION

A new class is being presented in the curriculum this semester in the Education Department. Mr. Paul Wallace, a Fullerton teacher, is teaching a course in Character Education to a class of twenty students. Mr. Wallace completed his Master's work at U.S.C. and is preparing his Doctor's dissertation on the subject of Character Education. He is an authority in this study, having done much research in this field. This class meets every Monday from 4:10 to 6:00 and gives two hours credit. Anyone interested in attending can do so for or without credit.

---

### FRESHMEN BID FORMER CLASSMATES ADIEU

Monday evening, February 8, the freshmen officially bade farewell to Bertha Holmes and Annellen Wilson who found it necessary to discontinue their school work at the end of the first semester. The evening was spent in singing, playing games, and having a supersolossal amateur program. Hot tamales for refreshments helped to send off the guests with a warm feeling toward all.
