Description Black and white photograph glued to a gray matte backing. The photograph depicts a light colored sided house (possibly a school house) with two doors in the front. There are two groups of children standing in front of the house. One group has 15 students standing against the side of the house, six of them are sitting in front of the other 8 standing. All those standing are boys and the ones sitting seem to be all girls. There are also four girls standing on the porch on the front side of the house.

The matte board is worn and dirty. The right edge is worn and the bottom left corner is worn. There are dark stains all around. The photograph is also discolored (yellow) with multiple dark brown stains, mostly in the top left corner of the image, but also in the top right corner and above the four girls standing in the photograph.
