Identity Statement:**Scope & Content / Abstract:**

Two pages glued together (top to bottom edges) with a third piece of paper glued in the middle of the long document that reads "Register's Office, Fond du Lac, Wisconsin, June 13th 1853. I hereby certify that the above Abstract of Title is all that appears upon Record in this Office, in relation to the above described Land and that the title is now in Robert Winnegan". The rest of the document is hard to read because the writing uses a lot of flourishes but it appears to be a list of titles from and to whom of land exchanges/sales. Each one has a swirl between the parties involved and when and what lot was involved.
