Well, curly, A.

I now take my pen
in my hand to write a few lines
to you to let you know that
I received your letter in due
time last Friday i am happy
to learn that you are well and
I now take this fine opportunity to
communicate a few lines to you
to let you know that i am blessed
with the same good blessing I
am at school to day I am now
writing in school I believe
that all of our folks are all as
well as common all but Mother
she did not feel very well this
morning well we have had some
very fine weather here this week
it is very smoky here to day

but it is warm though the
corn grows like everything
you can almost see it grow we
have just commenced hoeing for
the first time our corn looks
nice I guess that the corn is
coming in good this year the
boys are out at recess now
and i am writing here Manda
and Ella are throwing lime
at me Ella has got Manda
in under the Desk joining
her around and Patience has
just watered up she has had
quite a nap She said that
she dreamed something She
knighted but i cant see it
