**Identity Statement:****Scope & Content / Abstract:**

9 sheets of paper with 18 pages of hand written notes, mostly in pencil, titled "Oshkosh Regional Meeting, State Historical Society, 10-29-49". It starts "Many of you have at sometime or other followed Highway 55 on the East side of Lake Winnebago..." It appears to be a similar speech as many in this collection that goes through the history of the Brothertown. It appears as if the notes are actually on the front of each page and the notes on the back of a few pages in black ink are notes for something else, but are similar notes pertaining to Brothertown history as scattered through this collection.
