Spencer, Wisconsin.

E. M. Dick,

Brotherstown,

Wis.

Hoping you are interested in the Temperance cause, I will tell you a plan we have for helping the Good Templars of Spencer, Wisconsin.

They are very desirous of building a hall but have not sufficient means to do so, and so we propose to help them in this way: Make three copies of this letter, changing the date and putting the next higher

number at the top, numbering them all the same, then sign your name and send to your friends. Return this letter with two or more cents and the names of the friends to whom you have written to Miss Mary Harrison, Spencer, Wis.

This is a very small amount, yet if each one who receives a copy will do as requested it will aid very much. While any one refusing to do this will seriously injure the cause. Whoever receives \$0.20 will please return it without making copies as that completes the chain.

Yours in F. H. & C.

Pippah Crowell.
