**Identity Statement:****Scope & Content / Abstract:**

A single sheet of typed correspondence. It does not have an address line just the date 1843 is at the top and at the bottom in the right corner is "Indian Agent" almost like a signature. It starts with a list of items to be used by the Indians that includes blue strouds, yarn, shirting, socks, silk, ribbon, beads, and blankets. It almost seems like a series of instructions for the Indian agent for dispersing these items to Natives.
