Identity Statement:**Scope & Content / Abstract:**

Two page correspondence from the Land Office Detroit, dated May 14, 1832. It is unclear who it is written to but it is signed John Biddle. It discusses the claims of Paul Ducharme and Augustin Grignon at the Kacalin. It states the writing is supposed to give the receiver more information if known about the subject. The second page starts "Extract from the instruction given to I. Mullette, for having private claims at G. Bay." And at the bottom it has "relating to Private Claims No. 33-34-35".

These two pages are together because they have the same paper clip marking and tear where the paper clip was so it is assumed they were together in the collection. There are stains in the top right corners of each page as well.
