Mr Fowler Esq

When my land was sold it was sold at Honolulu I had a Certificate of Sale and there is one on Record in the Clerks Office at Honolulu that was a conveyance of the land to me as Hanson did not Redeem in 27 months I called on my Attorney (Dury) he would get a Certificate of Sale and send to you so and have the same Recorded in your County if necessary Delay cannot hold that fifty dollars unless he can hold the land and that he cannot do
Enclose I send you the deed you (211) I think that Delany had better have this money tendered him that he paid with 20 per cent interest I have not a deed of each lot separate but a deed of the whole of my land and it is on Record Clerks Office at Honolulu if you can take \$500 for those (bobs) pair of Chigps and lease them ^{with} all A young man that
