My dear Comrade Dick:

I am wondering how you are getting along, nicely I hope. Saw Comrade Bacon yesterday. He is gaining slowly but I think surely. His wound is now healed. He hopes it is for good & all.

Went to Winneconne a day or two ago. Got some of the people interested about the reunion. I think the date will be Aug 31 & Sept 1. but am not sure.

Let me hear from you. I send you my kind regards and earnest wishes for your speedy return to complete health

Very truly yours

A W Ballard
