

To Members Outagamie County Pioneer & Historical Society:
Your officers have planned a historical pilgrimage to
Brothertown Wis. on East Shore of Lake Winnebago for next
Sunday afternoon May 22nd 1937. Be at Otto Heller's Cheese
Factory, Brothertown at 2:00 P. M. Mr. Heller an authority
on Brothertown Indian history will meet us. These cultured
highly educated Indians came from the New England States in
1831. He will show us the ancient peacemakers sheepskin
bound book of the Indians dating back to 1797, the walled
in Indian cemetery, also a great collection of ancient
Indian Mounds, linear, lizard and round, and the oldest
Baptist Methodist Church in the State. Plan to be with
us for an enjoyable afternoon. Take Highway 55 out of
Kaukauna, or 10 and 55 out of Appleton.
