Children:	Talking about when he started working on the Oneida Language and Dictionary		
<u>Additional Information</u> This a second interview, talking to Amos. There going to talk about the Language, 1974 working for Dir. Bill Glonick, Then they had to go school UWGB and need ten trainers while he was teaching the High School students. Some one said they need a dictionary. He read a letter he got, in Oneida Language and translated it. Saying phrases in Oneida Language like it's Cold out, I'm Cold, Told the story of the Buttercups.
