Doesnt know much about his grandparents on both sides. Parents spoke Oneida language very fluently. Father went to either 5th or 6th grade in Carlisle. Father was into construction. Father was Constable for Hobart for a few years. Parents talked about the New York claim and when they'd possibly get it. Mother went to school until the 8th grade in Flandreau. They used to go pick cherries in the summer time. Parents did all their shopping at Morgan's and Schroder's Market. Remembers a Medicine Man, used to come to their house when anyone got really sick. Graduated from East High school in 1957. Used to work at Ravans Canning Company. Then went to Milwaukee; got a job at American Motors for 10 years, then got a job at the Oneida casino, driving the shuttle bus for 10 years. Still works there. He can understand and speak the Oneida language. Enjoys hunting, but not fishing says fishing is too boring.
