Dear Mr. & Mrs. Bennett:

Barbara and I will always remember this past January 20th as a day to treasure in our hearts.

As we participated in the Inaugural ceremonies at the Capitol and greeted the thousands of men, women and children lining our way to the White House, some of our fondest thoughts were of you and the many other friends who helped us throughout this long and eventful journey.

My days of work in this great office have begun in earnest. However, before any more time passes, I especially wanted you to know how thankful I am for your friendship and support.

In the days ahead, as the challenges grow, I hope I may continue to count on you to work with us for that greatest of all goals: good government for all Americans.

Again, you have my deepest thanks for all you have done for us.

With best wishes,

Mr. & Mrs. R. L. Bennett
