

SHEBOYGAN & FOND DU LAC RAILROAD.

A FEW FACTS

FREIGHTS REDUCED.

We are taking all freights to and from Chicago and Milwaukee at 20 per cent. less than any other route. This is a saving of ONE DOLLAR in every FIVE DOLLARS, to the merchant and consumer.

We are now bringing all freights from East or South, and taking freights East or South at less rates than by any other route.

FAST FREIGHT LINE

Via Suspension Bridge, Detroit and Grand Haven, is cheaper than any other line, and **TWO DAYS SOONER** from New York and Boston.

DRAYAGE.

Any merchant or manufacturer who desires it can have his goods delivered without delay to his place of business, adding to the freight the lowest rate of drayage from the C. & N. W. R. R., by giving notice at the station, so that the distance to our depot shall be no objection.

TO FARMERS.

Any farmer who wishes to ship at one time two hundred bushels of wheat from Fond du Lac to Sheboygan will be furnished with sacks and free fare to Sheboygan and return. If any one wishes to ship the same amount to Neenah by our line, they will be furnished with free fare upon the boat.

FOR LAKE SUPERIOR,

This route is much the cheapest for hay and all produce and live stock. Lake Superior propellers come alongside the railroad at Sheboygan. Passengers go through promptly, and at low rates.

Interests of Fond du Lac.

We propose to work for the interests of this community, in every respect. From the manufacturers, merchants and farmers we expect to make our business. We are not controlled by Green Bay interests,

nor Chicago interests. We hope and expect to get all the business of this vicinity that might legitimately pass over our road, and will say we consider it only a question of time.

We come here to stay, and to do our business to the satisfaction of all.

With the prompt co-operation of all the business men, you can make this line the best one, all in respects, that can be made, for all transportation South and East. We will deserve your confidence and good will, by being ready and willing at all times to concede to you all that is fair and just in a business way.

PARTIES AND PIC-NICS

Will be accommodated with transportation at any time, at low rates.

PASSENGER ROUTES.

We can ticket passengers to Chicago, Milwaukee and all point South lower than any other route.

We can ticket via Chicago to all points East at a less rate than any other route.

The Grand Haven route, via Sheboygan, is a shorter route in time, a shorter route in number of miles, at less rate of fare to all points East, than any other.

See that your friends call and see us before going East or South, or to Lake Superior.
