Dear Brother

My arm
is a good deal more than it
was when I wrote to you
before I have to get an
other man to write for me
Mr Washburn was killed
Thos Johnson was
badly wounded
Daniel Thurston died
after the battle also
William Fowler I should
like to have you send me
a little money to buy some
papers and stamps

I send my love
to you all and all
my ardent friends
I kiss with you all well
I received your letter
yesterday this is all I
can think of at present
you must excuse for
such a short letter
this is from Edgarm Dick
to Asa Dick
