Condition by	Cond notes	The paper was rolled and is badly crinkled especially along the left edge and top and bottom margins. To save space and to ensure the list is usable, I unrolled the paper and placed it in two mylar sleeves to fit. There are tears along the right edge, a large one near the top of the list and one in the middle of the list. There are two stains in the middle that were splashed on and are dark in color, most likely a coffee stain.
