

I have one can left - from last year.
but I "need more" as Oscar and Celis
say when they want anything they "need
it" - they need some thing to eat - or
they need a drink. Hattie received a
letter from Oscar a few days ago
I should think Ellen would feel she
had to give up her old home it seems
as if could not done it.

there was a big
fire a week ago today in Sammonts
lumber yard burned up about -
1,000 \$ worth of lumber set by a
spark from the cars, well as I think
of nothing more I will close with regards to
all hoping to hear from you soon and
often so good day with the L

Dear Sister

your very kind letter
came to hand in due time I was
very glad to hear from you I was very
glad of the seeds I sowed them
all in separate dishes I have two
plants which I think are nasturtiums
and two of the portulaca, Bert-
tipped the other dish over I have
quite a good lot of flowers in the
garden lots of roses but we have

such very dry weather it - has been
a very dry spring and summer so
for it is a very hot-day to day today.
children are here they have gone
to a picnic about six miles away
Belia has the whooping cough but
Oscar does not cough yet all the
the children around here are having
it now Lydia left for Minnesota
four weeks ago today there was an
excursion that day so Jamie went -
as far Minneapolis with her, he said
Randall circled so when he left them
he writes every time his ma does
Heather says she is going to keep
his letters until he grows up then
she will show them to him Lydia

does not like it - out there she says
she would like to see a tree or even
a stump. it is all prairie there
she thinks she will come home about
the first of august Jamie stays
with us he went to Marshfield
yesterday on a wheel Heather has a
wheel now it took her quite a
while to learn to ride but she can
ride very well now

my health is
better than it was in the spring
But my foot troubles me yet - I
can ^{not} walk very far but it is not so
painful as it was.

it is such dry
weather I am afraid we will not get
many berries this summer
