Description Tintype of an older woman with her hands clasped in front of her. She is wearing a dark dress with a white collar. Her hair is pulled back. The tintype is glued to a piece of paper with a square border with a rounded top and star designs around the image. The image was stored in an envelope that reads "Aunt Hannah Dick, Patented 1865, #65". This is most likely O.E. Heller's organization system.
