Dear Aunt Louise

We got home
all right. No trouble of any kind.
It was sure a nice day, so
warm I came all the way
bare headed, and my coat
almost off my shoulders.
To-day is cloudy but so close
and warm. Wind blows pretty
hard. yesterday and last night
it rained terrible and the fog
was so thick you couldn't see
the lights thru it. Did you
find Georges mouth again
I think they are on the sewing
machine. He can't find them any
where so we thought we left
them at your place. Hope you feel
fine now. And have you got

all your meat eaten up.

Suppose there were lots of
fights at Lunny Trec. night.
Some broken heads and so on
and so forth. Tell us who got
their heads cracked. Has Lura
come home yet. I think she
looks pretty good, only rather thin.
We hope to see you again before
cold weather gets too cold.

Am sending some stamps now.
you can write. Take good care
of your self. and don't get sick.
Write soon. Love of Lura.

Yours as ever.
