Identity Statement:**Scope & Content / Abstract:**

Single sheet of paper, folded in half to create four pages of correspondence. There is writing on all four pages, but the last page (opposite the first page) has dates and numbers which appear to be prices added up in pencil rather than ink and in different hand writing than the rest of the letter as well as the bottom of the second page and the third page which have names in pencil. The letter is addressed "Palmyra Oct. 31st, /70, Cousin Edgar" and is signed on the second page "From H.A. Fowler". It talks about multiple lodges. The names appear just to be the same name written over and over (H.A. Fowler) along with an address thrown in.
