ORINDA CIVILIAN DEFENSE PROGRESSES

599 Registered at Defense Office

All committees in the Orinda Civilian Defense programs are reporting progress in their work. 599 residents have registered at the defense office and approximately 500 of these have been assigned to some duty.

During the past two weeks the air raid wardens have been receiving training in their duties and have had the general functions of the Orinda defense council outlined for them. Mr. Willis, the county Coordinator, has attended two meetings of the day wardens and briefly reported to them the work of the county as a whole. His talks have been most interesting and it is hoped that he may at some future date report again on the county program.

All the sirens are now installed and are automatically set off by the switch at the fire house. These sirens give us the best possible coverage of sound for Orinda and great credit is due to Mr. Roy Stewart and his committee for the work that they have done.

The Orinda Defense office is now open Monday through Friday from noon until 2 p. m. and on Saturday from 10 a. m. to noon. Anyone who wishes information may call at the office or telephone Orinda 2027, the office number. There are on the bulletin board blanks on which you may sign for the following classes: First Aid, Home Nursing, Target Class, and Motor Corps. The Home Nursing class, under the direction of Mrs. Sam Cook, will start April 10th, at 9:45 to 11:45, and will continue for ten weeks. The Motor Corps class starts Monday evening, April 6, at 7:30 p. m. In order to take this class you must have both the standard and advanced first aid certificate.

Those who wish to donate for the blood bank may also sign at the defense office as the San Francisco Blood Bank will send over to Orinda in April a mobile unit so that blood donors from this area will not have to go to the city. If you are interested please come to the office and sign.

During the illness of Mr. W. D. Scott Mr. U. B. Smith will be acting coordinator for Orinda.

NOTICE

AIR RAID ALARM is an up-and-down wail on the siren for two minutes.

ALL CLEAR signal is one straight two-minute blast on the siren.

FIRE ALARM is three thirty-second blasts with ten-second intervals.

**For any emergency call Orinda 3451.
For all other calls to Fire House, call Orinda 2006.**

APRIL MEETING NOTICE

The regular monthly meeting of the Orinda Improvement Association will be held Friday, April 3, at 8:15 p. m., in the North basement room of the Orinda School. The change in meeting place is made as the auditorium will be used at that time for the various functions of educational week.

At this meeting there will be a discussion of action to be taken concerning the zoning questions at the cross-roads, and the question of liquor licenses.

FORUM DISCUSSES CHILD'S PLACE IN COMMUNITY

The third Forum at Orinda School, which was held March 24, brought forth a spirited discussion both from the panel and members of the audience. Dr. Mary Woods Bennett, a member of the faculty of Mills College, was the speaker of the evening. Her subject was "The Place of the Child in the Community" with particular emphasis placed on the effect of moving pictures and radio programs on the elementary school child.

The purpose of the Forum was not to reach definite decisions on the subject presented, but mainly to consider the varying responsibilities of the parents, school and community regarding the activities comprising the children's recreation and leisure hours.

Dr. George Gibson, professor of history

ORINDA PARK POOL OPENS MAY 16

Vacation at home this year

Believing that the Orinda Park Pool will have its biggest season this year, due to many persons vacationing at home and otherwise restricting their driving to conserve rubber, the Association directors have planned to open the park and pool on Saturday, May 16, and to hold open house for prospective members and visitors on Sunday, May 17.

With its beautiful setting, new ladies' bath house, improved outside dining and barbecue facilities, outside evening dancing, organized games and sports as well as the fundamental sun bathing the Park Pool will offer its members all the essentials for vacationing within economical driving distance of their homes.

President Jim Snook has announced that Ed Miller will be in charge of membership this year and those planning to join the Association can contact him at his home on La Bolsita, Orinda, or by phone at Orinda 5801. Family memberships will be \$25 and single memberships \$12.50 this year. Admission for non-members will be limited to five and cost 50 cents each, it being the wish of the directors to encourage family and resident participation in the pool's advantages. No reduction will be made in single or family memberships for joining late in the season as the plan had discouraging results last year. Memberships will have to be fully paid before use of the grounds and pool will be allowed to members, but those wishing to pay on the installment plan may begin their payments to Ed Miller now.

COUNTY SUPPORTS PLAN FOR MERCY SHIP

Members of the Contra Costa County Board of Supervisors have pledged their support of the plan to send a relief ship to Manila.

The following telegram was sent to Francis B. Sayre, Commissioner to the Philippines: "Press dispatches indicate your desire to get relief ship to Manila. Please feel free to call upon the Board of Supervisors, Contra Costa County, to act in conjunction with whatever organization designated to do this very important and humanitarian work."

EDITORIAL

Are you being an ostrich? Do you think that you will really be safe behind the barricade of your neighbor's generosity? Apparently some of you do feel that way, for only one out of every two families in Orinda has contributed to Civilian Defense. Why? Because of the old American habit of passing the buck — the careless and smug attitude that the money will be raised somehow.

Well, this time you are wrong! True, two thousand dollars has been contributed to date, a nice sum for a small community; but it isn't enough. Consider facts and figures: twelve hundred for the purchase and installation of warning sirens, four hundred dollars a year rental of telephone and P. G. & E. power lines to operate them, four hundred dollars a year for Civilian Defense office expenses — not a cent for salaries! The Civilian Defense committees

have worked unceasingly for the interests of Orinda with no remuneration other than the personal satisfaction of serving their neighbor's needs.

What about other operating costs? Are the sirens to be silenced at the end of this year because there is no money to run them? What will happen in the event of an emergency with its many demands for money? Will the Civilian Defense committee place a sign on the door, "Closed for lack of funds" and quietly disband?

Do you realize that each one of you who neglects to contribute to this fund is endangering the lives of all in the community? Is forty-two cents a month too high a price to pay for the safety and protection of your family? Just five dollars a year. Wake up to the red light of danger and make it the green light of safety!

MR. W. D. SCOTT

Mr. W. D. Scott is resigning as Coordinator of the Orinda Civilian Defense as his recent illness makes it impossible for him to continue this work.

We all regret that this is necessary as the accomplishments of our defense set up to date are due to Mr. Scott's unceasing effort. He has given us all the advantages of his

knowledge and time so that the work of the council as a whole might be put into action and that Orinda might be prepared for the emergencies to come.

We all hope that Mr. Scott will soon be well again and express to him our sincerest thanks for all he has done. We hope to see you out very soon, Mr. Scott.

GIRL SCOUT NEWS

Girl Scouts of Troop No. 27 are working on making splints and hemming bandages to be used by instructors in giving Red Cross training to residents in the valley. They are also studying clay modelling under the direction of Mrs. John Ratcliff. A trip to the Potters' Wheel in Lafayette was enjoyed recently and Mr. Smith gave them a very interesting talk on clay modelling, firing, etc. The girls are making their own designs as part of the Arts and Crafts badge.

Mrs. Warren Harrold and Mrs. A. W. Elkinton entertained the Troop Committee of the Senior Girl Scouts on Friday, March 20, at the Harrold home at a luncheon. The part Senior Girl Scouts will play in the defense program of Orinda was the main subject discussed. A quantity of yarn was recently given them by Mrs. Arthur Mock and the girls will knit a child's afghan to be used in our own Defense emergency room. They will also help with the making of bandages and splints.

A petition for the establishment of an Orinda Kindergarten is in the process of being signed. Any interested parent having at the present time a child between the ages of 4½ and 6 years of age who has not been contacted, please call Orinda 7621 or Orinda 7851.

Sincere sympathy is extended to Mrs. Beatrice Cleborne on the death of her son John, who has been reported "missing in action."

ORINDA NIGHT AT ACALANES

The regular monthly meeting of the Acalanes Parents' Club, the evening of March 16, was a men's fashion show, sponsored by the Orinda parents. Mr. and Mrs. A. K. Pettingill were in charge. The only woman in the show, Mrs. La Rene Mattson, was the French modiste and commentator.

Parisian gentlemen viewing the show were Herbert Dills, Grover La Velle, and Elmer Hertel. Models were: T. A. Goodrick, in blond wig and evening gown; Dwight Chapman in an intimate negligee; L. A. Mattes, in a ski suit with girlish gestures, and A. K. Pettengill, in a Scotch sport suit with frown. The French maid, in uniform and red belled garters, was Jim Snook. But the sensation of the evening was created by G. M. Heinrich, Irwin Mattson, Sam Briggs, and Frank Cataline, in girl's bathing suits.

The mere business of the evening consisted in the announcement of the Card party and dance, for both parents and students, on April 17, and the election of a nominating committee to select officers for the coming school year. The committee chosen were: Mr. Stanley Walgren, Mrs. A. R. Reinke, Mrs. Arnold Anderson, Mr. Victor Stuart, and Mrs. G. M. Heinrich from Orinda.

The next meeting will be held at 8 o'clock, April 20, with Lafayette parents in charge of the entertainment.

RED CROSS WORKROOMS

The Orinda Red Cross sewing room in the home of Mrs. Stanley Smith on Dias Dorados, which has been closed for lack of materials, is now open. Experienced Red Cross workers have made hospital gowns for use in our own disaster room, and are now working on men's pajamas. This room is open on Wednesdays, Thursdays, and Fridays, under the chairmanship of Mrs. J. T. Cotton.

The workroom in the home of Mrs. George Hickok, 88 El Toyonal, is now open on Thursdays only, under the direction of Mrs. Ernest Drews.

Knitters are now working on socks and sweaters, for the Army, Navy, and Marines. The Red Cross requests that these garments be turned in as fast as possible, for shipment. Yarn is scarce, and donations of scraps for afghans will be gratefully accepted. Please call Mrs. G. S. Perkins at Orinda 7811.

THEATER PARTY

Plan to see the Academy Award Picture on Wednesday, April 15th, at the Orinda Theater. A theater party for the benefit of the Santa Maria Church will be held on that date. Members of the church association are now selling tickets at regular admission prices; or you may secure yours from the Orinda Store, Moraga Hill Pharmacy, or Heine's Barber Shop. Everyone is welcome.

ACALANES HIGH SCHOOL NEWS

Acalanes High School is losing the services of its coach, Irwin Mattson, who is going to Annapolis for a six weeks' intensive training course. Mr. Mattson on his return expects to be connected with the Aviation Conditioning and Reception Center at St. Mary's College, where he will teach wrestling. For the balance of the season, the present staff of Acalanes will divide the responsibility of coaching among themselves, and when Mr. Mattson returns from Annapolis it is possible that he may be able to give some help to the staff.

April 17 is the date for the joint Student-Parent party. Dancing and cards will be the entertainment for the evening. The Junior Prom was held on Friday, March 13. The Junior-Senior Supper and the Senior Ball will be held on June 6.

Acalanes girls are anticipating a Play-Day on April 18. The girls will be hostesses to students of the county. About 200 girls are expected to attend. Also, on May 22, the Scholarship group at Acalanes will play host to the California Scholarship Federation of Northern California.

There will be a longer summer vacation this year, according to Mr. Stanley Warburton, principal. School will close June 12 and open some time during the middle of September. September 14 is the tentative date set. This longer vacation is the general policy accepted by the schools for the duration in order to give the farmers an opportunity to use student labor.

Acalanes now feels relatively more secure for each teacher is now a certified Red Cross First Aid Worker. Four of the teachers have recently completed the Instructors' Course, making a total of six qualified to teach First Aid at the School Stretcher and First Aid kits, made by the Shop and Home Departments, are completed and are being distributed throughout the district.

The Board of Trustees are working on the budget. Election of trustees is coming up and new residents of the district are advised to register before April 5 if they desire to vote in the election.

MOTHERS' CLUB TO MEET

Orinda High School Mothers' Club will hold its regular monthly meeting at one o'clock on Monday, April 6, at the home of Mrs. G. M. Heinrich, on Los Dedos. Transportation will be furnished from the Orinda Store. Mothers of all students of high school age are urged to come, regardless of where their children attend school.

Mrs. Grover La Velle will assist Mrs. Heinrich in serving the dessert, which will be followed by a business meeting. Mrs. Franklin Kales, Orinda Red Cross chairman, will discuss the many phases of Red Cross work, and how Orinda can help. She will also show what the High School students are doing to aid the Red Cross, and answer questions about the functions of different groups, and the classes being held.

WOMEN'S GUILD

The regular monthly meeting of the Woman's Guild of the Orinda Community Church will be held at the home of Mrs. Arthur Mock, 63 La Cuesta, on April 7, at noon. Co-hostesses with Mrs. Mock are Mrs. William Penn Mott, Jr., and Mrs. Edward Harrington.

Mrs. Miles B. Fisher, the newly elected program chairman, announces a very interesting meeting is in store for Guild members. Mrs. C. U. Martin of Piedmont will be guest speaker, having as her subject, "Happier Days in the Philippines." Mrs. Martin's husband was in the shipping business for years. Sailings were from Europe and San Francisco to the Philippines and she has visited the islands many times with him. They lived for some years in Paris. Mrs. Martin's daughter and daughter-in-law will model Filipino costumes.

Mrs. Richard Davis, wife of the Orinda Grammar School Principal, will render several violin solos accompanied by Miss Marion Bryant.

CHILD'S PLACE IN COMMUNITY

(Continued from Page 1, Col. 2)

at San Francisco State College, was chairman of the program. The panel included: Mr. C. B. Chantler, member of the board of trustees, Orinda Union School; Mrs. Emil E. Wickman, president, P. T. A.; Mrs. Violet E. Bedwell, school nurse, Contra Costa County schools; Mrs. Margaret Anderson, teacher at Orinda; Mr. Mervyn Gibson, principal of Walnut Creek Grammar School; Mr. Richard L. Davis, principal, Orinda Union School, and Mr. Stanley Warburton, principal, Acalanes Union High School.

The last Forum of the group will be held April 28 at eight o'clock at the school. At that time Dean Walter J. Homan of San Francisco State College will discuss "The Future of the Elementary School Child of Today in Tomorrow's World."

U. S. O.

On May 6th, the drive for funds for the U. S. O. will begin. The quota for Contra Costa County is forty thousand dollars. Let's all do our part so that Orinda may easily meet her share of this quota.

**BREUNER'S RECEIVES
MINUTE MAN FLAG**

Mr. Richard Breuner of Orinda is an executive of the Breuner store which has received the Minute Man Flag. This flag is given when ninety percent of the personnel of any establishment signs for monthly purchases of defense bonds.

CHRISTIAN SCIENCE PROGRAM

The Cristian Science Committee on Publication for Northern California announces a religious program broadcast on Station KYA, San Francisco, at 8:45 a. m., Monday, Wednesday and Friday of each week; also "The Christian Science Monitor Views the News" on KRE, Berkeley, at 1:45 p. m., Monday through Friday.

Radio Station KYA will also broadcast the services of the Fifth Church of Christ, Scientist, San Francisco, at 11:00 o'clock in the morning on the first Sunday of each month, and the Christian Science Hymnal program at 5:15 p. m., the first Sunday of each month, until further notice.

**CANTEEN GROUPS SERVE
LUNCHEONS**

The Orinda canteen groups of the Red Cross has started practical demonstrations of their ability to feed evacuees quickly and satisfyingly. The Casa Orinda group, under the leadership of Mrs. Emil Wickman, planned, purchased, prepared and served an excellent lunch to the members of other units on March 18. The entire preparation took less than two hours and the lunch, planned for forty-five evacuees, cost fifteen cents each. The committee members felt that the experience of working together in a strange kitchen was worth many hours of discussion and theory. Mrs. George Hickok's Red Cross group assisted in the work.

On March 23 a luncheon was prepared and served at Dominic's under the direction of Mrs. Ernest Drews. Other plans of the units include the preparation of an outdoor meal and the possibility of serving hot meals to firefighters during the summer months. The chairmen and stations of the other groups are: Mrs. Lillian Dorrington, Orinda School, and Mrs. C. C. Klitgaard, Orinda Country Club.

Church Notices

ORINDA COMMUNITY CHURCH

Sunday Services at Casa Verano, El Toyonal and Orinda Highway — Sunday School at 9:30 a. m., Church worship at 11:00 a. m. Dr. Miles B. Fisher, pastor. Christian Endeavor for 'teen age young people at 7 p. m. New residents and visitors in the community cordially welcome.

CHRISTIAN SCIENCE

The Christian Science Society of Orinda holds regular Sunday services at 11:00 a. m., and one evening meeting on the first Wednesday of the month at 8:00 p. m. Sunday School meets at 9:30 a. m. Pupils up to 20 years are admitted. Reading room open every Wednesday from 2:00 to 4:00 o'clock. Everyone welcome.

CATHOLIC CHURCH

Sunday Morning Masses the 1st, 3rd and 5th Sundays at 10 o'clock, and the 2nd and 4th Sundays at 8:30 o'clock.

**SCHOOL DRAMA CLUB
PRESENTS TWO PLAYS**

On Saturday, March 28th, the Orinda Union School Drama Club, under the direction of Mrs. Isabel Wayne, presented two plays, "The Man Without A Country", the dramatization of Edward Everett Hale's life and "Pierrot of San Sebastian", a gypsy fantasy.

Pupils taking part in the plays were: Bob Fields, Harold Davies, Huber Coombs, Jim Doten, Mike Dills, Jim Lucas, David Dibbern, Jim Selby, Bruce Summers, Neal East, Dick Symes, Peter Wilkins, Fred Bennett, Tom Gentry, Bob Symes, Edward Solomon, Betty Jean Farrar, Joyce Herzog, Patricia Lax, Cynthia Llewellyn, Lloyd Selby, Frances Groves, Nancy Chantler, Sally Tinkham, Anne Winters, Edna Prouty, Gwyn Bowron, Jean Pettingill, Joan Jacobus, Carolyn Prouty, Jean Norton, Connie Goodale, Earledean Torbet, Donnie Mae Mote, and Patsy Teiche.

There were recitations between acts by Joan Jacobus, Peter Wilkins and Connie Goodale.

The Orinda School orchestra, under the direction of Miss Marian Bryant, assisted by Mrs. Barbara Davis in the string section, played the selections, "America", and "Au Clair De La Lune."

CHILDREN IN DEFENSE

What can children do for defense? Have you read "Little Pitchers with Big Ears"? This book is a charming example of what they can do. It was planned and written by children in the fifth grade and their teacher, and explains to children how they can help make this a better country. Do you have a copy?

EMERGENCY FOOD SHELF

The local unit of the American Red Cross through its canteen groups has issued a request that all Orinda residents provide themselves with emergency food shelves. In the event of an emergency and the subsequent need to operate several canteen units, it is possible that the Red Cross would need all the available food on hand at the two local stores. If Orinda families were supplied in advance, any extraordinary demands on the stores would not result in confusion and shortage.

This emergency shelf is not to be construed as hoarding; it is only to assure the self-sufficiency of the community in the case of emergency.

The following list of staples has been suggested as a guide to buying. This list would provide a four-day supply for a family of four.

- Milk — 16 cans (evaporated)
- Cheese — 4 jars (15 ounces)
- Dried beans or peas — 1/2 lb. or 4 cans baked
- Peanut butter — 1 lb.
- Canned vegetables (beans, peas, corn, sauerkraut) — 8 No. 2 1/2 cans, 2 each
- Tomatoes, canned — 4 No. 2 1/2 cans, or 6 cans tomato juice
- Canned fruit — applesauce, peaches, berries — 4 No. 2 1/2 cans
- Grapefruit juice — 4 No. 2 cans
- Dried fruit — 1 lb. prunes or apricots, 1/2 lb. raisins
- Meat or fish, canned — corned beef, salmon, luncheon meat
- 4 to 5 lbs. cereal — prepared, 2 packages; to be cooked, 1 lb.
- Crackers — 2 pkgs. or 2 lbs. wholewheat crackers; 2 pkgs. or 2 lbs. soda crackers
- Chocolate bars — 16 bars, 1 1/2 to 2 1/2 oz.
- Cocoa or chocolate syrup — 1 lb. can.
- Sugar — 1 lb. package
- Jam — 1 lb. jar
- Coffee — 1 small can, 1/2 lb.
- Tea — 1/4 lb. package

Also it is advisable to include chewing gum, matches, toilet paper and antiseptics or lime. And don't forget to put a spare can-opener and paring knife with the supplies.

DORCAS SOCIETY

The Dorcas Society of the Women's Guild, now meeting monthly at the G. F. Hickok home on the third Thursday of each month, have completed and turned over to Mrs. Ralph Sisson two quilts for the Red Cross and are working on a third one to be used in our own defense emergency room, which is being equipped at the school. Anyone in the valley is invited to come and help sew these quilts. Mrs. Helen Miller and Mrs. Ralph Wilson are hostesses.

CONTRA COSTA COUNTY HEALTH DEPT.
Room 125, Hall of Records
Martinez, California
February 4, 1942

To: All contractors, builders, and subdividers, in Contra Costa County.

Based on experience in Orinda, Lafayette and elsewhere and on advice given by the State Sanitary Engineer, we are revising our requirements for sewage disposal systems for private homes.

Hereafter the following procedure will be followed.

1. *Before Any House Construction is begun, make the following tests on each lot:*

a. *Surface Percolation Test:* Dig a pit 18 inches deep and about 2 feet square; in the bottom of this pit, dig another pit or hole 1 foot deep and 1 foot square. Fill this hole to a depth of six inches with water, being careful that the walls and bottom are thoroughly wet beforehand. Now observe the time necessary for the water to fall one inch. During the dry season the presence of cracks or gopher holes may make to test unreliable; therefore careful note should be made of such things.

b. *Deep Percolation Test:* Dig an 8 inch posthole 18 feet deep or more, unless sand or gravel is found at a shallower depth. Note type of soil encountered. If bedrock or water is encountered, it is useless to dig deeper. Now fill this hole with water and note time necessary for it to go down one inch.

2. As soon as the soil tests have been made, submit results of tests to County Health Department, giving name and present address of owner, location of job, plot plan showing contours, proposed location of house, garage, sewage disposal systems, etc. Also give name of bank making FHA loan with FHA sewage disposal system papers.

3. When foregoing information is furnished us, an inspector will meet the builder at the specified lot and verify percolation tests. He will then be able to specify just what we will require for that particular job. The sewage system will then be installed.

Although 100 feet of subsoil drainage may be approved for certain locations where the subsoil is other than adobe, there must be ample space remaining for installation of an additional fifty feet, should the primary installation be inadequate. Who will bear the expense of this additional subsoil drainage should be worked out between the builder and the owner before any contract is signed.

4. *Final Inspections* When the system has been installed and before any backfilling is done, either on the tank or the ditch, notify the County Health Department that it is ready for final inspection. If the inspector does not arrive within a reasonable time, call again. *Do not backfill until final inspection has been made.* This final inspection will be facilitated if the bottom of the ditch is left exposed for about 2 feet at intervals of about 25 feet. This will enable the inspector to see just how much rock has been used, etc. Some unsold lots in

GARDEN CLUB TOUR

Five Orinda gardens will be featured in a garden tour sponsored by the Orinda Garden Club from 10 a. m. to 5:30 p. m., on Friday, May 15, as announced by Mrs. Lonie Bee, president, for the purpose of raising funds for the local volunteer fire department. The money will be used to buy any necessary auxiliary equipment that may be needed for a war emergency.

Mrs. Stuart Campbell, chairman of the tour, with her committee, have selected the gardens of Ernest Mathy, Richard S. Rheem, Warde Sorrick, Charles Merrill, and Wallace Ballinger. All these gardens should be in their prime by the middle of May and offer a wide variety of planning and style.

The rhododendrons by the barbecue site will attract attention at the Mathy home. The Rheem estate offers visitors a charming vista of a southern colonial home, with swimming pool and bath house. The Sorrick's house is situated under many oak trees, with an intimate garden. In the Merrill garden one may see a well planned vegetable and berry plot, as well as an interesting perennial flower garden. The Ballinger's garden features many espaliered trees and shrubs.

Tickets will be sold for 75 cents and may be obtained from any garden club member. The price of admission will include tea which will be served at the Mathy barbecue.

CLEAN UP NOW

The Orinda Fire Department asks that all homeowners clean up their property now so that when the dry weather comes we shall not have so much burning to do.

Residents may burn on their property now without a permit from the fire department but are asked to notify the firehouse whenever they start a fire. After April 15th it will be necessary to have a permit before burning rubbish and no fire may be burning after 10:00 a. m.

CASA ORINDA IN NEW LOCATION

Jack Snow, the Proprietor of Casa Orinda, will move into the Fred T. Wood building from his present location on or about April 8th.

Mr. Snow is a resident of Orinda and has been in his present location for the past two years. We wish him continued success in his new location.

certain subdivisions will have to be resubdivided.

5. After the preliminary approval has been given, the builder is required to sign a guarantee that the sewage disposal system will be satisfactory to the County Health Department for one year from date of occupancy.

6. Please feel free to discuss any phase of these changes with us.

W. A. Powell, M. D.

County Health Officer
