NUMBER 11

ORINDA GARDEN CLUB SPONSORS TOUR

Sponsored by the Orinda Garden Club, a tour will be held in Orinda on Friday, May 15th, from 10 a. m. until 5:30 p. m., for the purpose of raising funds to buy any necessary auxiliary fire equipment that may be needed this summer. Tickets may be purchased for 75 cents from any garden club member.

Mrs. Stuart Campbell, chairman of arrangements for the tour, announces that some of the features of the gardens will include an azalea hedge in the Charles Merrill home, also pink dogwood trees which are rare in California. A fern garden in the front of the place leads to groups of rhododendrons. In the back of the house will be found a perennial garden which includes hound's tongue, Russell lupin, scabiosa, lilac, and pelargoniums.

At the home of the Warde Sorricks visitors will be interested in the espaliered apple tree against a wall. On the terrace they will find tubs of camellias and cut-leaf maples. At the side of this charming colonial house is a creek bordered by rhododendrons and ferns.

The Ernest Mathy home typifies a modern building which forms a unit with the garden. At the rear of the house, dropping away from a terrace that overlooks the golf course, is a series of steps that leads one to the lower garden, which includes a well-planned brick terrace and barbecue under large oak trees. Many rhododendrons will be in bloom here at the time of the tour.

At the Wallace Ballinger garden one will find a front walled-in court that includes a fish pond in the center of the lawn. Surrounding the California ranch house are many informal lawns bordered by perennial planting that is backed by interesting arrangement of shrubs and trees. Owners of new homes will be particularly interested in this garden, for it is only three years old. One side of the place is devoted to berries and a victory garden.

For those interested in styles of architecture, the detail of the Richard Rheem home will prove fascinating, for the house is a fine example of a Louisiana colonial plantation mansion. On the outside of the house is a quantity of wrought-iron grill work in the

(Continued on Page 6, Col. 2)

NOTICE

AIR RAID ALARM is an up-and-down wail on the siren for two minutes.

ALL CLEAR signal is one straight two-minute blast on the siren.

FIRE ALARM is three thirty-second blasts with ten-second intervals.

**For any emergency call Orinda 3451.
For all other calls to Fire House, call Orinda 2006.**

MAY MEETING NOTICE

The regular monthly meeting of the Orinda Improvement Society will be held in the Auditorium of the Orinda Grammar School at 8:15 p. m., May 1.

At this meeting there will be further discussion of the issuance of liquor licenses at the Crossroads.

The nomination committee will also be announced at this meeting and during the following month they will draw up the new slate of officers.

STOP! LOOK! LISTEN!

Who says children are too young to meet this national emergency?

The third grade at the Orinda Grammar School is adding its contribution to total defense along with the other boys and girls in Orinda. Under the supervision of their teacher, Mrs. Anderson, they have written their own edition of the book, "Little Pitchers with Big Ears", choosing by themselves the title, "Let's Do Our Part."

In "Let's Do Our Part" every child has written and drawn out the constructive ideas that have come to them in a quiet period each day in school. The book is clever and individual with the kind of spirit that really counts in bringing America total victory.

During Public School Week the first part of May, it will be worth your time to visit Mrs. Anderson's grade at "Open House" and see "Let's Do Our Part."

SUGAR RATIONING

Relative to the Sugar Rationing Program which has been inaugurated by the Office of Price Administration, we bring to your attention the following procedure as it applies to the Orinda Union School Site:

1. Sugar Rationing books may be obtained at the Orinda Union School between the hours of 1 p. m. and 9 p. m., on May 4, 5, 6, and 7, 1942.
2. School hours on the above dates will be from 8:00 a. m. until 12:05 p. m. All children should be at school to begin regular classwork at 8:00 a. m. All school busses will call for children one hour earlier than usual. Children will be transported to their homes as usual beginning at 12:05 p. m.
3. In order to free members of our staff for necessary duty connected with the Sugar Rationing Program it is requested that no child remain on the school grounds longer than transportation necessities require.
4. In order to facilitate the completion of Sugar Rationing Blanks the person registering for each family should come to the school with the following information for each person for whom he desires a Sugar Rationing Book:
 - a. Name — last, first, middle.
 - b. Address, street and number.
 - c. Height — in feet and inches.
 - b. Weight.
 - e. Color of eyes.
 - f. Age.
 - g. Color of hair.
 - h. Sex.
 - i. Relationship of the person who is to get the book to the person who comes to the school to apply.
 - j. Number of pounds of white or brown sugar in any form which your family has on hand.
5. Only one person in a family need come to school and apply, but he must bring the above information about *each person in the family*.
6. For your additional information we quote the following from our instructions:

"Any person having a supply of sugar in excess of 2 pounds but no more than 6 pounds will have stamps removed from his Ration Book at the time of registration, at the rate of 1 stamp for each excess pound

MINUTES OF MEETING

April 3, 1942

The regular monthly meeting was called to order by President Morrison at 8:30 p. m., and was opened by the salute to the flag. The minutes of the March 6th meeting were read and corrected, before approval, and the Treasurer reported a balance of \$637.88. The Membership Chairman reported 207 members paid up to December 31st, with 370 entitled to vote.

Mr. Fleager gave us the latest rationing news and explained the details of the coming registration which will be used as a basis of rationing sugar and other commodities for which priorities may exist. The fact of actual rubber shortage was stressed, and that no hope is at present in sight to solve the transportation problem that will arise when tires wear out.

Owen Towsley, for the Fire Department, spoke of last year's record of the Department, noting that 30% of the fires resulted from faulty or unguarded incinerators. During the war, he said, we are in grave danger, especially during the dry season, from incendiary fires, either from planes or from ground sabotage. Clarence Fleager stressed our individual responsibility for precaution and also in fighting our own fires, since the Army has the power to direct fire fighting equipment in time of emergency.

President Morrison announced that no one has yet been appointed to fill the post of Coordinator of local Civilian Defense, left vacant since Mr. W. D. Scott's resignation. Mr. U. B. Smith is serving temporarily. In answer to questions, it was brought out that the local Defense Council has no political connections or aspects, the Coordinator being appointed by the Board of Directors of our local unit. Mr. Smith reported on the finances as of March 25, advising that 405 residents had contributed \$2007.37. \$736.54 has been paid out, leaving a balance of \$1270.83, of which about \$150.00 is owed on siren installations. The cost of the sirens was about \$130.00 per unit — much lower than at first estimated, he said, due to the able management of W. D. Scott and Roy Stuart.

Mrs. Robt. Harrison announced for Dr. Feiler the formation of four new First Aid classes, to start April 14 and 16. One class will meet morning, and three, evening, she said.

Mrs. Ketcham announced that additional volunteer watchers are needed at the town of Moraga for service in aircraft observation duty.

President Morrison then brought up for discussion the subject of the application of Jack Snow to transfer his license from Casa Orinda to a new location at the Crossroads. Martyn Warner read from the October, 1938, issue of the Orinda News an article pertaining to the application made for a license for the old "Willows", which stated the Association's opposition. Clarence Fleager moved that the Association oppose the transfer of Snow's license to No. 510 Tunnel Boulevard. The motion was seconded simultaneously by several, and after

(Continued on Page 6, Col 2)

EDITORIAL

ORINDA — VACATIONLAND

Tire shortage will not be the blow for Orinda residents this vacation time as much as it will be to all the thousands of people living in crowded areas. For, although a vacation generally means a trip to the mountains or the seashore, we, in Orinda are able to enjoy most of the privileges here that we seek when we go away.

First of all we have the Country Club and the Orinda Park Pool. Between these two clubs we can enjoy golf, swimming, tennis, ping-pong, outdoor dancing, picnics and barbecue dinners and any number of pleasant resort get-togethers. We also have plenty of space and fresh air and a reasonably fine summer climate.

Stay home this year and enjoy Orinda. Plant a victory garden. Entertain your less fortunate friends from town. And know that you won't have the wear and tear of closing the house and moving the family en masse to some distant point seeking the illusion of change. Make your own summer changes at home. Eat outdoors. Iron outdoors. Take all your work outdoors. Needless to say it won't be as easy. But that is true of summer vacations. They are not always easy but they provide the change from our daily routine which our humdrum existence demands. Just don a new mental outlook and enjoy yourself and your families at home this summer.

MR. MATHY DEFENSE CO-ORDINATOR

More than three hundred residents of Orinda, including most of the air raid wardens and defense police, attended the defense meeting at the school on April 16. At that time Dean Joel Hildebrand of the University of California gave a very interesting and educative talk on "Chemical Warfare."

The meeting also served to introduce Orinda's new co-ordinator, Mr. E. L. Mathy, who is succeeding W. D. Scott in the position.

Mr. Mathy has been a resident of Orinda for six years. He was president of the school board at the time that the school was being built and was instrumental in initiating the school transportation system. He is first vice-president of the Victor Equipment Company in San Francisco.

Mr. Mathy expressed approval of the defense organization set up by Mr. Scott, and his objective is to complete the work so that it functions as it was first intended. His enthusiastic reception at the meeting assures Mr. Mathy of the co-operation of all defense workers and residents to carry on the program.

At this time it seems appropriate to compliment the defense police on their excellent handling of traffic at the meeting. Confusion following the meeting was averted by the efficient parking of all Orinda cars facing Orinda and all the Moraga cars facing the cross-roads.

WHAT TO DO WHEN THE SIREN BLOWS

Stay indoors, preferably in a protected room, such as a basement room.

If it is night turn out all lights. It is advisable for each home to have a blackout room so that if the alarm is of long duration you will not have to sit in the dark.

If you are in your car on the highway when the siren sounds, pull over to curb, extinguish lights, leave car and seek shelter. Leave ignition key in the switch. Be sure not to block fire hydrants or intersections.

Follow at all times the directions of your warden.

WOMEN'S GUILD

The Women's Guild of the Orinda Community Church will meet on May 5th at the home of Mrs. Wm. A. Davis, 301 La Espiral. Co-hostesses are: Mrs. Emil Wickman, Mrs. E. A. Dawson and Mrs. J. J. McMillan. The speaker is Mrs. Arthur B. Griffith of the Bentley School in Berkeley, whose subject will be "Madame Chiang Kai-Shek." Dessert and coffee will be served at 12:30. All are invited to attend.

NEW OFFICERS ELECTED

Officers for the coming year were nominated at the April meeting of the Acalanes Parents Club: Mrs. H. J. Neller of Lafayette, president; Mrs. G. M. Heinrici of Orinda, vice-president; Mrs. Elmer Hertel of Orinda, secretary; Mrs. J. L. Ramelli of Walnut Creek, treasurer; Mrs. Earl V. Bowbeer of Lafayette, corresponding secretary; and Mr. A. K. Pettengill of Orinda, auditor.

The Lafayette parents were in charge of the program for the evening. Carl Goeperts of Lafayette introduced Miss Jones from the Office of Price Administration. Miss Jones spoke on the problems relating to price and inflation and mentioned ways in which the consumer could protect himself

CANTEEN GROUPS SERVE LUNCHEONS

Mrs. Lillian Dorrington's canteen group at the Orinda School prepared and served a dinner for fifty persons on April 17. The dinner was planned from recipes provided by the Red Cross and was enjoyed by the members of the committee and their families at the low cost of twenty-five cents per serving.

The women who participated in the work and are now eligible to receive a canteen worker's certificate are: Mesdames William Platt, Emil Wickman, C. B. Chantler, George Vurek, J. J. McMillan, Sidney Epstein, T. A. Goodrick, Ralph Hall, E. St. Louis and King Wilkin.

MOTHERS' CLUB MEETS MAY FOURTH

The next meeting of the Orinda High School Mothers' Club will be held on Monday, May 4th, at one o'clock, at the home of Mrs. Wm. Pearson, 10 La Punta. Transportation will be provided from the Orinda store.

Church Notices

ORINDA COMMUNITY CHURCH

Sunday Services at Casa Verano, El Toyonal and Orinda Highway — Sunday School at 9:30 a. m., Church worship at 11:00 a. m. Dr. Miles B. Fisher, pastor. Christian Endeavor for 'teen age young people at 7 p. m. New residents and visitors in the community cordially welcome.

CHRISTIAN SCIENCE

The Christian Science Society of Orinda holds regular Sunday services at 11:00 a. m., and one evening meeting on the first Wednesday of the month at 8:00 p. m. Sunday School meets at 9:30 a. m. Pupils up to 20 years are admitted. Reading room open every Wednesday from 2:00 to 4:00 o'clock. Everyone welcome.

CATHOLIC CHURCH

Sunday Morning Masses the 1st, 3rd and 5th Sundays at 10 o'clock, and the 2nd and 4th Sundays at 8:30 o'clock.

ACALANES HIGH SCHOOL NEWS

Acalanes played host to 160 high school girls of the county at a Play-Day held Saturday, April 18. Games were enjoyed during both the morning and the afternoon. Miss Margaret Nicholson and Miss Millicent Hamburger were in charge.

On Saturday, April 25, an All-County track meet was held at Antioch. Boys from Acalanes were represented in the various events. Acalanes' own baseball diamond was dedicated Tuesday, April 21, when a game was played with Pittsburg. Acalanes won, 2 to 0. The track was dedicated earlier in the spring with a three way meet. Those schools participating were: Antioch, San Ramon Valley High School from Danville, and Acalanes.

The Acalanes Dramatics Club was the first high school club to produce the Edna Ferber - George Kaufman play, "The Land is Bright". The play was presented before an audience of 600, on Friday evening, April 10. Special guests in the audience were a group of 25 sailors, a detachment from Treasure Island.

New curtains have been hung in the cafeteria making it possible to show motion pictures to the students in the day time. The addition of the curtains also provides Acalanes with a large room equipped for use in case of black-outs.

Two interesting events which are being looked forward to by the students during May are the County Music Festival to be held at Acalanes and the Bay Area Scholarship Federation meeting. Rose Ambrose is the faculty sponsor for the scholarship meeting which will be held some time in the latter part of May at the School, and Martin Rauhut is in charge of the Music Festival. At the festival, high school instrumental groups, bands, and orchestras will play before eminent and trained musicians in order that they may benefit by constructive criticism. The festival is being held May 9 and the public may attend without charge.

Public School Week was held from April 27 to May 1. During the week students acted as hosts to the visiting parents and encouraged them to remain throughout the day in order that they might see the school in action.

During the latter part of April Acalanes teachers helped in the rationing of sugar to restaurants, hotels and institutions.

ORINDA HOME DEPARTMENT

The next meeting of the Orinda Home Department will be held May 7th at the home of Mrs. Frank Hight.

At this meeting the subject will be "The Simple Purification of the Water Supply During War Time". Miss Burling will also deal with the fire-proofing of home furnishing and demonstrate how to put out a fire bomb.

BOY SCOUTS

The Boy Scouts of Orinda held their Court of Honor Monday evening, April 20th, in the auditorium of the Orinda Grammar School. Mr. La Velle was chairman of the Court and called upon Mr. Roger Bales, Area Scout Executive for Contra Costa County, to officially open the Court of Honor.

Mr. Bales asked Pat Rosenthal to install any new members. Bruce Summers was called forward and stood at attention while Pat outlined the different steps of scouting and the opportunities offered a scout during his years of training. He emphasized the good reputation of a Boy Scout and his excellent chance for advancement. After speaking, Pat Rosenthal called Mrs. H. G. Summers to the front and she pinned the tenderfoot badge on her son, Bruce. Dick Chapman, as patrol leader of the Cobra's, tied his neckerchief in the overhand knot.

After the installation lights were dimmed in the auditorium and a most effective scene took place — voices of the different spirits of scouting came over the public speaking system from the stage behind closed curtains. First the spirit of the scout of the past spoke; next, the spirit of scout mastery; then the Eagle Scout, highest place in scouting; the spirit of Friendship; and last, the spirit of Scouts serving all over the world, at this time.

Awards were presented by Mr. La Velle to Wendall Rollins and Dick Symes who received pins making them second class scouts. Mr. Rosenthal awarded Dick Chapman two merit badges for first aid and stamp collecting, which were pinned on his son by Mr. Chapman, and Mr. Davis presented him with a pin which means he is now a star scout, having earned five merit badges. Mr. Ainsworth, the scout master, gave the service awards. Bob Gordon and Paul Goodwin each received a one year service star. To Bob Doten and Pat Rosenthal were presented two honor awards. Each has completed two years of 100% duty and they are now qualified to teach scouting.

The court was officially closed by Mr. Bales who congratulated the Boy Scouts of Orinda and their scout master. The scouts put on a one-act play which brought out the importance of dependability of a good scout and his influence on other boys. The evening ended with Mr. Bales showing beautiful colored slides of Camp Wolfboro which opens June 20th. There will be bus transportation for the boys who can go for the two week period.

SALVAGE

Mr. C. P. McVicker is chairman of the Orinda Defense Salvage Committee. All salvage should be taken to the salvage center on the Orinda Highway, at the site of the old Orinda Nursery.

Salvage includes paper, tin, old metal, rubber, etc., and will be sold and the funds turned over to the Defense Council.

**EACH HOME ITS OWN
FIRE DEPARTMENT**

"I have no concern with fires. The fire department and Air Raid Wardens are supposed to handle them." If this thought is lurking in the back of your head, *shake it out.*

Please consider the following statements:

1. We are in an all-out war. (If you are in doubt, ask your Air Raid Warden).
 2. In an all-out war *anything* can happen. (If in doubt, ask Hitler, Hirohito, MacArthur, Churchill, or your A. R. W.)
 3. In an all-out war they drop incendiary bombs in order to start fires which will in turn destroy crops, military objectives, civilian morale, and light up the target. (Tongue in cheek? Ask your Air Raid Warden.)
 4. When incendiaries are dropped, they are *dumped*, not aimed.
 5. When incendiaries are dumped, your house, your neighbor's house, your Air Raid Warden's house, the dog house and the Fire House may all start burning at once. (Has your Air Raid Warden told you about this important point?)
 6. When such fires start, your A. R. W. is not going to leave his own house to go up in flames while he squirts a hose on *Yours*. (Don't bother to ask him about this one.)
 7. While your Warden is fighting his own fire you are going to have to fight *your own*. (If you do not know how to do this, ask your Air Raid Warden — *that's what he is for.*)
- P. S. — If you do not know who he is, please call Orinda 6511 or 4711.
- P. S. — The above applies also to the need for First Aid. Have you signed up for one of the courses being given.

**PRECAUTIONS FOR
HOUSEHOLDERS**

Have bags or buckets of dry sand placed in convenient places in the house.

Keep garden hose attached at all times.

Keep auxiliary supply of water during alarms, i. e., bathtub, etc.

Keep on hand at least one long handled shovel.

Make sure that your house is blackout proof. If you have a blackout room make certain that it is light proof from the outside.

In case of fire or other emergency call your Warden. *Know his number.*

**ORINDA BOY WINS ORATORY
CONTEST**

Don Irwin, a senior at Acalanes High School, was awarded second place for northern California, in the Americanism Oratorical contest held at Del Monte recently. This contest was sponsored by the Lions Clubs of California.

NOTICE OF ELECTION

For member of the Governing Board of the Orinda Union School District.

Notice Is Hereby Given to the Electors of the Orinda Union School District of Contra Costa County, California, that the Annual Election for members of the Board of Trustees of the Orinda Union School District will be held on the third Friday of May, viz, May 15, 1942.

It will be necessary to elect one member.

The polling place for said electors of the Orinda Union School District will be at the Orinda Union Elementary School in the Orinda Union Elementary School District.

The polls will be open between the hours of 2 o'clock p. m., and 7 o'clock p. m.

The officers appointed to conduct the election in the above-named Orinda Union School District are.

- Mrs. Carl Zamloch, Inspector
- Mrs. E. A. Dawson, Judge
- Mrs. A. K. Pettengill, Judge

- April 13, 1942

First pub. April 16, 1942
Last pub. April 30, 1942

MEETING MINUTES

(Continued from Page 2, Col. 3)

some discussion was voted on and carried. The Cianciarula brothers were present, to represent their interests as owners of the Casa Orinda building, and volunteered a history of events leading up to their notice to Snow to terminate his lease. They said they had pledged the community two years ago that business in their building would be conducted on a legitimate basis, and that they had warned Snow a year ago, pursuant to charges of gambling. Notwithstanding this, they said, gambling continued and culminated in further charges, and another conviction, the latter part of last year. Since their recent notice to Snow to terminate his lease, they said he had approached them with an offer of a percentage of the profits if the lease could be continued, but would not agree to operate legitimately. After a question by Mr. Castle, the Cianciarulo brothers admitted that the transfer of another license was being sought for their building in behalf of a prospective tenant. Mr. La Velle then moved that the Association go on record as being opposed to any increase in the number of on-sale licenses in this community. After being seconded, Mr. Mayo moved that an amendment to the motion be added, to favor the decrease in the present number of such licenses by one. The amendment was seconded, and the motion passed, as amended. President Morrison appointed Clay Ludlow and Galen Fisher to present the wishes of the Association at the hearing to be conducted by the Board of Equalization at the Court House in Martinez at 10 a. m., Monday, April 6. After some further discussion, the meeting was adjourned.

HOME KIT FOR FIRST AID

The following is a list of first aid equipment that is suggested for every home by Dr. Kimball, who is head of the Orinda Disaster Relief Stations.

- 1-inch Compress on adhesive in individual packages (Band-aids).
- Sterile gauze squares, about 3x3 inches, in individual packages.
- Assorted sterile bandage compresses in individual packages.
- Several triangular bandages.
- 1 yard square sterile gauze packages.
- Burn ointment, such as 5% tannic acid jelly.
- Mild Iodine, 5%.
- Aromatic spirits of ammonia.
- Inelastic tourniquet.
- Scissors.
- 1-inch and 2-inch roller bandages.
- Sterile castor oil for use in eyes.
- Soap paste.
- Chlorinated lime or bleaching powder paste.
- Kerosene or benzine.
- Alcohol.
- Baking soda.
- Boric acid solution.
- Table salt.
- Wire or thin board splints.
- 3-inch splinted forceps.

* * * * *

For fire fighting equipment, consult your Air Raid Warden.

AMBULANCE UNITS

The Red Cross committee in Orinda under the direction of Mrs. Franklin Kales have established a Disaster Relief Station at the Orinda Grammar School. This station will be manned by a committee of doctors and nurses under Dr. Kimball and is equipped for first aid and minor surgical work.

Connected with this station there are three ambulances equipped with first aid kits, stretchers, Thomas splints, and manned by a doctor and a nurse. These ambulances will be on call during any emergency and may be contacted through your air raid warden.

P. T. A. NOMINATING COMMITTEE TO CONTINUE FUNCTIONING

At the regular monthly meeting of the Orinda P. T. A., held in the grammar school auditorium, Tuesday, April 21, the nominating committee, headed by Mrs. Melvin Jacobus, reported some difficulty in securing new officers for the coming year. Mrs. Jacobus' committee was instructed to function for an additional month. The question as to the P. T. A. sponsorship of an Orinda Cub Pack was held over to another meeting so that a greater allotment of time could be arranged for discussion.

Martha Lee, whose homemaking column appears daily in an Oakland newspaper, was the guest speaker for the day. She gave a list of new combinations for sandwich spreads to make the lunch pail more intriguing to the school child.

GARDEN TOUR

(Continued from Page 1, Col 1)

oak and acorn design. At the side of the building is placed a tea set on a paved circle. The tables and benches of this set are also of wrought-iron, but in the grape motif.

At the front of the Rheem estate is a terrace planted with clipped Australian plane trees, ivy and box-wood in a formal design. At the side of this terrace one may walk to a swimming pool and bath-house down a ramp bordered with box-wood and espaliered pears. Against a wall is an interesting design made of trained grape vines. Under large oaks at the lower edge of the lawns is an informal garden of azaleas, rhododendrons, columbine, primroses and wild currant.

The committee in charge of the tour includes Mrs. Lonie Bee, president of the Club, Mrs. Melvin Jacobus, Mrs. Leon Woolsey, Mrs. Sheldon Duncan, Mrs. H. W. Gentry, Mrs. Alden Macomber, Mrs. Malcolm Lamb, with Mrs. Stuart Campbell, general chairman. Hostesses will be Mrs. Ritchie Smith, Mrs. Harold Martin, Mrs. Jeffress Rodwell, and Mrs. Clay Sorrick.

FINANCIAL STATEMENT OF DEFENSE COUNCIL

The following is a report of the Finance Committee as of April 23, 1942. The report made to your committee on March 25, 1942, set forth an itemized list of bills paid, totaling \$736.54. Since that date the following bills amounting to \$167.03 have been paid:

4-16-42—Pacific Gas and Electric Co \$.69	Bill 3-10 to 4-8—office
4-23-42—Pacific Gas and Electric Co...1.10	Bill 3-10 to 4-6—sirens

We have collected from 411 residents a total of \$2032.37. Expenses to date amount to \$903.57, leaving a balance in the account of \$1128.80.

Yours very truly,
Kenneth Gelwix

SUGAR RATIONING

(Continued from Page 1, Col. 3)

(the weight value of each of the first 4 stamps being 1 pound.) Thus a person possessing 6 pounds of sugar at the time of registration would have 4 stamps removed from his book, according to the following procedure:

First 2 pounds: no stamps removed.

Next 4 pounds: 4 stamps removed, one for each excess pound."

Any additional information may be obtained by calling the school.
