

50 Years Ago

1949

Last Friday night, April 29, will long be remembered by the people of the Shinnecock Indian Reservation when six carloads of teachers, pupils and their parents traveled from Shelter Island to the Shinnecock Indian School, where they presented an enjoyable musical program arranged by A. Wesley Smith of the Shelter Island School. Mr. Smith was assisted by local talent. During the intermission, the ladies of the Shinnecock Community Club served refreshments, and an exhibit of local Indian handiwork was on display.
