### Interview Agreement and Consent Form

The Oral History Project is a program of Historic Charleston Foundation. All recordings and transcripts become the property of Historic Charleston Foundation and will be regulated according to any restrictions placed on their use by the interviewee and/or interviewer. Typical uses may include scholarly and other publications, audio/visual presentations (including the production of CDs or DVDs), exhibits, websites, and other marketing and communications purposes. Your consent to participate in this research as provided in this agreement is entirely voluntary.

We, the undersigned, have read the above. The interviewer affirms that she/he has explained the nature and purpose of this oral history research. The interviewee affirms that she/he has consented to the interview. The interviewer and interviewee (and videographer and photographer, when applicable) hereby give grant and assign to Historic Charleston Foundation all rights, title and interest, including copyright, of whatever kind from this information and interview.
