# 6 exciting new ways to go!

New "Turbo-Fire V8" and two new "Blue-Flame" 6's! Your pick of three great transmissions! Chevrolet's stealing the thunder from the high-priced cars with the greatest choice going of engines and drives!

What a choice it is! You can have the heart-lifting liveliness of the new 162-h.p. V8—or you can take your pick of two new sweet-running 6's.

Then there's Super-Smooth Powerglide, new Overdrive, and a new and finer Synchro-Mesh transmission. (Powerglide automatic transmission and Overdrive are extra-cost options—and worth it!)

Come in and see how much fun it is to drive the Motoramic Chevrolet with the engine and drive of your choice.
