Mr. John D. Cappelmann,

Broad St., City.

Dear Sir:--

The note of M. S. Toomer endorsed by the Sterling Mfg. Co. for \$54.35, has been past due since Jan. 3rd, two months ago. I appreciate the trouble that you may be having with him, but it seems to me that I am the one who is having all the annoyance, and our Board is kicking strenuously about this matter.

I trust that you will not occasion me to embarrass myself further with them on account of the leniency that I am showing to you.

Yours very truly,

Wilson G. Harvey
president.
