# HISTORIC CHARLESTON FOUNDATION

51 MEETING STREET

CHARLESTON, SOUTH CAROLINA

February 27th, 1957

Miss Eunice Chambers,  
900 East Home Avenue  
Hartsville, S. C.

Dear Miss Chambers:

We are so delighted that the matter of the Savage portrait of Nathaniel Russell is settled, and that it will now be forever in the house he built. A check from the Foundation for \$3500.00 will be in the mail to you within the next few days, and with it goes our sincere thanks for your patience and consideration in this matter.

X We very much appreciate the long period that you have left the two portraits here and in particular the fact that we may keep the Jarvis portrait of Russell through the coming year.

Again my thanks, and those of the entire committee, and with personal regards, and hoping that you will be in Charleston soon to see what we have done with the House,

Sincerely yours,

*John P. Frost*
